The Rapid Alert System for Non-Food Products (RAPEX)

RAPEX - Weekly overview report of notifications

Week 12 - 2020

Alert number: A12/00419/20

Product: Necklace

Name: Mother daughter necklace

Risk type: Chemical, Environment

Category: Jewellery

Brand:

Type / number of model: N°:8, YYZXCG111635

Type of alert: Products with serious risks

1) The product contains an excessive amount of cadmium (measured value: 43 % by weight). Cadmium is harmful to human health because it accumulates in the body, can damage the kidney and bones and it may cause cancer. 2) The material of the product contains an excessive amount of bis(2-ethylhexyl) phthalate (DEHP), di-'isononyl' phthalate (DINP) and dibutyl phthalate (DBP)(measured values: 6.73 %, 0.19 % and 0.18 % by weight, respectively). These phthalates may harm the health of children, causing possible damage to their reproductive system and liver. 3) The product contains an excessive amount of short chain chlorinated paraffins (SCCPs) (measured value: 0.86 % by weight). SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. Also prolonged exposure to them through the skin may cause cancer. / The product does not comply with the REACH and the Persistent Organic Pollutants (POP) Regulations.

Stop of sales

Description: Set consisting of two necklaces each with a different pendant. One necklace has a pendant in rectangular shape and with the engraving "there is this girl she stole my heart she calls me mommy". The second is shaped as a heart and reads "mommy's girl".

Batch number / Barcode:

Country of origin: People's Republic of China

Alert submitted by: Norway

Alert number: A12/00432/20

Product: Necklace

Name:

Risk type: Chemical

Category: Jewellery

Brand:

Type / number of model: Necklace

Type of alert: Products with serious risks

The product contains an excessive amount of cadmium and lead (measure values: 87.5 % by weight and 1.6 % by weight, respectively).

Cadmium is harmful to human health because it accumulates in the body, can damage the kidney and bones, and it may cause cancer. Lead is harmful to human health, accumulates in the body, can cause developmental neurotoxicity and may also affect breast-fed or unborn children. / The product does not comply with the REACH Regulation.

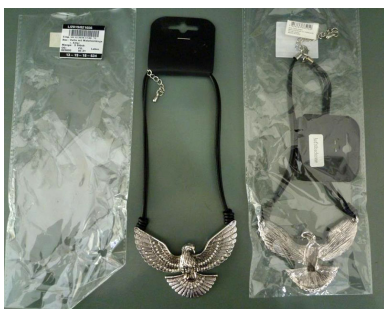

Recall of the product from end users, Removal of this product listing by the online marketplaceBan on the marketing of the product and any accompanying measures

Description: Necklace consisting of three black leather strips with metal trimming, silver-coloured clasp and metal eagle pendant with rhinestones.

Batch number / Barcode: 1806263365240

Country of origin: People's Republic of China

Alert submitted by: Germany

Alert number: A12/00433/20

Product: Earrings

Name: Creolen

Risk type: Chemical

Category: Jewellery

Brand:

Type / number of model:

Type of alert: Products with serious risks

The product releases an excessive amount of nickel (measured value 3.2 $\mu\text{g}/\text{cm}^2/\text{week}$). Nickel is a strong sensitiser and can cause allergic reactions if present in articles that come into direct and prolonged contact with the skin. / The product does not comply with the REACH Regulation.

Recall of the product from end users, Withdrawal of the product from the market

Description: Creole earrings made of silver-coloured, glossy metal with open ring, diameter approx. 9 cm; the clutch is made of colourless plastic

Batch number / Barcode: DNP 148 55112001751000000100 219

Country of origin: People's Republic of China

Alert submitted by: Germany

Alert number: A12/00434/20

Product: Windscreen washer fluid

Name: Clean&Go

Risk type: Chemical

Category: Chemical products

Brand:

Type / number of model:

Type of alert: Products with serious risks

The product contains an excessive amount of methanol (measured value: 20.06% by weight). Methanol is acutely toxic to the central nervous system and the eye. Ingestion of methanol leads to blindness and death. / The product does not comply with the REACH Regulation.

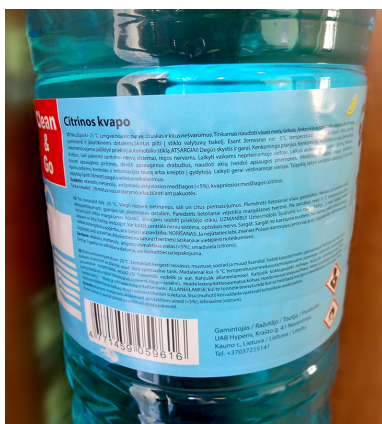

Recall of the product from end users

Description: Winter windscreen washer.

Batch number / Barcode: 4771459059616

Country of origin: Lithuania

SHORT GLASS HEATER

This heating rod is manufactured by Xianglong Electrical. Its introduction of superstrong quartz glass tube and high sensitive bimetallic strip design ensure advanced performance at home. With elegant appearance and a complete range of specifications, the quality of the product is assured.

DIRECTION FOR USE:

1. Temperature range of this heating rod: 17-35°C.
2. The heating rod won't work (the indicator light will be off) if room or water temperature exceeds 35°C.
3. To achieve better temperature result, the heating rod should be installed close to the place where water circulates in the aquarium.
4. To avoid inaccurate heating, the heating rod can't be inserted into the sand.
5. The heating rod may be used vertically or at 45° (vertical is recommended).
6. Aquarium equipment is recommended to plug in socket with safety switch.

NOTICE:

1. Don't put your hands into the aquarium before you turn off the power.
2. Before cleaning the aquarium or heating rod, please turn off the power for 15-20 minutes to cool off the heating rod, or you will be burned.
3. Don't clean the plastic parts with detergent, solution or acid liquid etc.
4. Children or persons without incompetence are not allowed to use this product or play with it as a toy.
5. The heating rod must be totally immersed into water and no exposure is allowed.
6. Put a strong cupula onto the body of the heating rod, away from the glass heating parts.
7. Pay more attention to the change of water temperature within one week after the first use of this product.

WARNING: ⚠

For any loss caused by quality defect, please produce pictures, invoice and inspection report issued by authorities concerned within three days. The compensation won't exceed the product value.
