The Rapid Alert System for Non-Food Products (RAPEX)

RAPEX - Weekly overview report of notifications

Week 16 - 2020

The risk description was corrected due to a missing adverb

Alert number: A12/00574/20

Product: Lighting chain

Name: Christmas tree / mű karácsonyfa

Risk type: Burns, Electric shock, Fire

Category: Lighting chains

Brand: S&W

Type / number of model: ITEM N°: 62936

Type of alert: Products with serious risks

The cables are not properly anchored, too thin and lack an adequate insulation. Additionally, the dimensions and insulation of the mains plug are inappropriate. Consequently, the user could touch accessible live parts and receive an electric shock. Furthermore, the cables could overheat during normal use, which could cause burns to the user or even lead to a fire. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standards EN 60598-1, EN 60598-2-4 and EN 60598-2-20.

Recall of the product from end users, Withdrawal of the product from the market

Description: Rose tree shaped decorative lamp with 48 white LEDs and control unit with 8 programs.

Batch number / Barcode: 8 588588 629360

NO

Country of origin: People's Republic of China

Alert submitted by: Hungary

Alert number: A12/00576/20

Product: Lighting chain

Name: Christmas tree / mű karácsonyfa

Risk type: Burns, Electric shock, Fire

Category: Lighting chains

Brand: S&W

Type / number of model: ITEM N°: 62924

Type of alert: Products with serious risks

The cables are not properly anchored, too thin and lack an adequate insulation. Additionally, the dimensions and insulation of the mains plug are inappropriate. Consequently, the user could touch accessible live parts and receive an electric shock. Furthermore, the cables could overheat

during normal use, which could cause burns to the user or even lead to a fire. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standards EN 60598-1, EN 60598-2-4 and EN 60598-2-20.

Recall of the product from end users, Withdrawal of the product from the market

Description: Tree shaped decorative lamp with 72 white LEDs. The LEDs have white plastic spherical shades.

Batch number / Barcode: 8 588588 629247

Alert number: A12/00589/20

Product: Lighting chain

Name: Christmas tree / mű karácsonyfa

Risk type: Burns, Electric shock, Fire

Category: Lighting chains

Brand: S&W

Type / number of model: ITEM N° 62928

Type of alert: Products with serious risks

The cables are not properly anchored, too thin and lack an adequate insulation. Additionally, the dimensions and insulation of the mains plug are inappropriate. Consequently, the user could touch accessible live parts and receive an electric shock. Furthermore, the cables could overheat during normal use, which could cause burns to the user or even lead to a fire. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Recall of the product from end users, Withdrawal of the product from the market

Description: Tree shaped decorative lamp with 24 red/blue LEDs. The LEDs have white and pink spherical shades.

Batch number / Barcode:

NO

Country of origin: People's Republic of China

Alert submitted by: Hungary

Alert number: A12/00590/20

Product: Lighting chain

Name: Christmas tree / mű karácsonyfa

Risk type: Burns, Electric shock, Fire

Category: Lighting chains

Brand: S&W

Type / number of model: ITEM N° 62927

Type of alert: Products with serious risks

The cables are not properly anchored, too thin and lack an adequate insulation. Additionally, the dimensions and insulation of the mains plug are inappropriate. Consequently, the user could touch accessible live parts and receive an electric shock. Furthermore, the cables could overheat during normal use, which could cause burns to the user or even lead to a fire. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Recall of the product from end users, Withdrawal of the product from the market

Description: Tree shaped decorative lamp with 24 white LEDs. The LEDs have white rose-shaped lampshades.

Batch number / Barcode: 8 588586 629278

NO

Country of origin: People's Republic of China

Alert submitted by: Hungary

Alert number: A12/00583/20

Product: Portable LED lamp

Name: SOLAR CAMPING LIGHTS

Risk type: Burns, Electric shock, Fire

Category: Lighting equipment

Brand: ChaoDeLi

Type / number of model: CL-901

Type of alert: Products with serious risks

The cables inside the mains power cord are too thin. They could overheat during use. The insulation and size of the pins of the mains plug and output connector are inappropriate, leaving live parts accessible. The USB port insulation is inadequate, and live parts may become accessible. User may consequently suffer burns, receive an electric shock or the product may cause a fire. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60598 and EN 60335.

Withdrawal of the product from the market

Description: Metal pink, rechargeable, portable camping LED lamp with USB port, which can be operated directly from the mains, batteries or by the built-in solar module. The product is supplied with a charger.
