# The Rapid Alert System for Non-Food Products (RAPEX)

## *RAPEX - Weekly overview report of notifications*

Week 22 - 2020

A12/00786/20; On the request of the notifying authority and based on the evidence provided by the company the product may be counterfeit

**Alert number:** A12/00770/20

**Product:** Fuel additive

**Name:** DIESEL - Fuel Depresator Concentrate 1:1000

**Risk type:** Chemical

**Category:** Chemical products

**Brand:** Bioline

**Type / number of model:** - 30°C, 250 ml

**Type of alert:** Products with serious risks

According to the packaging, the product contains harmful and hazardous chemicals but lacks a child-resistant closure, the hazard and precautionary statements and the name of the substances of concern. Users have therefore no information on the safe use and the dangers of the product, and could accidentally come into contact with the product. / The product does not comply with the Classification, Labelling and Packaging (CLP) Regulation.

Withdrawal of the product from the market

**Description:** 250 ml of transparent liquid additive for diesel vehicles.

**Batch number / Barcode:** 5906719102019

UNKNOWN

**Country of origin:** Poland

**Alert submitted by:** Lithuania

Alert number: A12/00777/20

Product: Hand disinfectant

Name: Hand Sanitizer / Hand Desinfectiemiddel / Gel Mains Netoyant

Risk type: Fire, Health risk / other

Category: Chemical products

Brand: SYMEX

Type / number of model:

Type of alert: Products with serious risks

The product contains an insufficient amount of ethanol (measured value:  $\leq 42\%$ ). Consequently, it might not kill bacteria or viruses, which could then reach the user, increasing the risk of infection. Additionally, the presence of ethanol is not accompanied by the corresponding hazard pictograms and warnings. Users have therefore no information on the flammability of the product, which in the presence of an ignition source, could lead to a fire. / The product does not comply with the Biocidal Products and the Classification, Labelling and Packaging (CLP) Regulations. Recall of the product from end users

Description: 60 ml of transparent hydro-alcoholic disinfectant hand gel. The product is manufactured in different perfumes.

Batch number / Barcode: 5 412479 025821

NO

Country of origin: Turkey

Alert submitted by: France

Alert number: A12/00792/20

Product: LED lamp

Name: Rechargeable uplight

Risk type: Burns, Fire

Category: Lighting equipment

Brand: Chinalux or Sinolux - Ningbo Euro Electricals

Type / number of model: L90B8H

Type of alert: Products with serious risks

A component on the circuit board may be too close to the li-ion battery, as a consequence, this battery may overheat melting the outer and, possibly leading to burns or fire. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard 60598.

Recall of the product from end users Recall of the product from end users

Description: 36w Rechargeable led lamp, Dimensions H26cm x W16cm X H88cm. The product was sold online.

Batch number / Barcode:

NO

Country of origin: People's Republic of China

Alert submitted by: United Kingdom

Alert number: A12/00802/20

Product: Portable LED lamp/torch

Name: RECHARGEABLE AND BATTERY AND SOLAR ENERGY LED

Risk type: Burns, Electric shock, Fire

Category: Lighting equipment

Brand: Fuxuan

Type / number of model: FX-788T, FX-788A

**Type of alert:** Products with serious risks

The cables inside the mains power cord are too thin and could overheat during use. The insulation and size of the pins of the mains plug and output connector are inappropriate, leaving live parts accessible. Live parts may become accessible without the use of any tools. User may consequently suffer burns, receive an electric shock or the product may cause a fire. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Recall of the product from end users, Withdrawal of the product from the market

**Description:** White and blue rechargeable, portable LED lamp, which can be operated directly from the mains, the batteries or by the solar module. The product is supplied with a charger cable.

**Batch number / Barcode:** 6 954154 178815

**NO**

**Country of origin:** People's Republic of China

**Alert submitted by:** Hungary

### CAUTIONS:

- (1) When the energy power is exhausted, please charge it up immediately. The product should be used and charged frequently, and when you do not use it for a long time. Please charge it up every two months, otherwise, the service life of this product will be reduced.
- (2) The utmost charge time should be less than 15 hours. Keep away from inflammable and explosive goods during charging.
- (3) The product is always in "OFF" state during charging so as to avoid burning from LED bulbs and inner circuit.

**Alert number:** A12/00778/20

**Product:** Foldable electric bicycle

**Name:**

**Risk type:** Fire

**Category:** Machinery

**Brand:** BIZOBIKE

**Type / number of model:** 7EVEN+

**Type of alert:** Products with serious risks

The battery can overcharge and overheat. This will increase the risk of fire. / The product does not comply with the relevant European Standard EN 62133-2.

Stop of sales Recall of the product from end users

**Description:** Folding electric bicycle.

**Batch number / Barcode:**

NO

**Country of origin:** People's Republic of China

**Alert submitted by:** Belgium

**Alert number:** A12/00804/20

**Product:** Vehicle scissor lift

**Name:**

**Risk type:** Injuries

**Category:** Machinery

**Brand:** Jema Autolifte

**Type / number of model:** JA2800S

**Type of alert:** Products with serious risks

The safety lock and latch of the product might fail, causing the carrying device to fall, leading to injuries. There is no protection of the hoses and against hydraulic fluid spray. If the hydraulic fluid hose is damaged, the high pressure fluid may cause injuries to the operator. The product's pressure gauge and the pressure relief valve did not properly work. This could lead to excessive pressure of the hydraulic system of the lift, causing hydraulic fluid to leak under high pressure, causing injuries to a person close the lift. The carrying arms, carrying device and vehicle plate are not sufficiently locked. Consequently, they could inadvertently move, leading to injuries to persons close to the product. Moreover, there is no limiting of the lowering speed, which could result in a fast descend of the lift, causing injuries to a person close to or underneath the lift. / The product does not comply with the requirements of the Machinery Directive and the relevant European standard EN 1493.

Recall of the product from end users

**Description:** Mobile blue vehicle hydraulic scissor lift for up to 2800 kg.

**Batch number / Barcode:**

UNKNOWN

**Country of origin:** People's Republic of China

**Alert submitted by:** Finland

**Alert number:** A12/00779/20  
**Product:** Passenger van / Light commercial vehicle
