The Rapid Alert System for Non-Food Products (RAPEX)

RAPEX - Weekly overview report of notifications

Week 26 - 2020

Alert number: A12/00929/20

Product: Hairslides

Name: Klick-Klack, 3 Stck.

Risk type: Chemical

Category: Jewellery

Brand: Tedi

Type / number of model:

Type of alert: Products with serious risks

The product contains an excessive amount of cadmium (measured value up to 91.6 % by weight). Cadmium is harmful to human health because it accumulates in the body, can damage the kidney and bones, and it may cause cancer. / The product does not comply with the REACH Regulation.

Recall of the product from end users

Description: 3 black-coated metallic hairslides with decorative flower.

Batch number / Barcode: 19656001741000000100

UNKNOWN

Country of origin: People's Republic of China

Alert submitted by: Germany

Alert number: A12/00914/20

Product: Hand disinfectant

Name: HYDROALCOOLIC Antibactérien

Risk type: Fire, Health risk / other

Category: Chemical products

Brand: Vecteur Energy

Type / number of model: Argent Colloïdal 200 ppm, Lavande

Type of alert: Products with serious risks

The product contains an insufficient amount of ethanol (measured value: $\leq 35\%$). Consequently, it might not kill bacteria or viruses, which could then reach the user, increasing the risk of infection. Additionally, the presence of ethanol is not accompanied by the corresponding clearly visible and appropriate hazard pictograms and warnings. Users have therefore no evident information on the flammability of the product, which in the presence of an ignition source, could lead to a fire. / The product does not comply with the Biocidal Products and the Classification, Labelling and Packaging (CLP) Regulations.

Recall of the product from end users

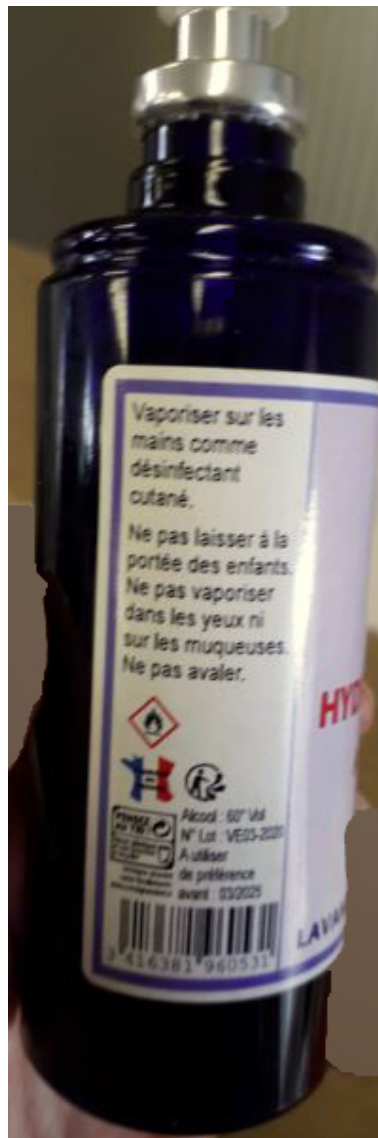

Description: 100 ml of hydro-alcoholic gel solution for hand disinfection and cleaning.

Batch number / Barcode: 3 416381 960531

NO

Country of origin: France

Alert submitted by: France

Alert number: A12/00927/20

Product: Hand disinfectant

Name: Hand Sanitiser Gel

Risk type: Chemical, Fire, Health risk / other

Category: Chemical products

Brand: Shield

Type / number of model:

Type of alert: Products with serious risks

The product contains an insufficient amount of ethanol and propan-2-ol (measured values: $\leq 0.05\%$ and $\leq 0.1\%$, respectively). Consequently, it does not kill bacteria or viruses, which could then reach the user, increasing the risk of infection. The product does contain methanol (measured value: 3.4%), which is acutely toxic to the central nervous system and the eye. Ingestion or contact with methanol leads to blindness and death. Furthermore, the presence of methanol is not accompanied by the corresponding hazard pictograms and warnings. Users have therefore no information on the toxicity and flammability of the product, which in the presence of an ignition source, could lead to a fire. / The product does not comply with the Biocidal Products and the Classification, Labelling and Packaging (CLP) Regulations.

Making the marketing of the product subject to prior conditions, Removal of this product listing by the online marketplace

Description: 100 ml of transparent hydro-alcoholic disinfectant hand gel.

Batch number / Barcode:

NO

Country of origin: United Kingdom

Alert submitted by: United Kingdom

Alert number: A12/00906/20

Product: Lighting chain

Name: 100pcs Multicolor LED Light / FAMILY CHRISTMAS

Risk type: Electric shock

Category: Lighting chains

Brand:

Type / number of model: CH-100CLEd/C; 56502A

Type of alert: Products with serious risks

The cable is not properly anchored. The user could touch accessible live parts, which may cause an electric shock. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Recall of the product from end users, Withdrawal of the product from the market

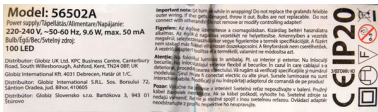

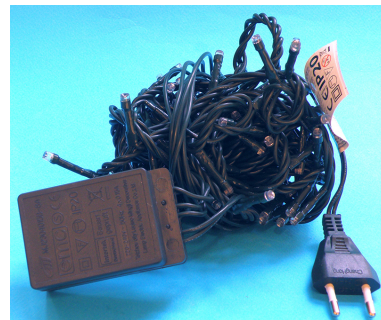

Description: Lighting chain with 100 non-replaceable, colourful LED lamps.

Batch number / Barcode:

NO

Country of origin: People's Republic of China

Alert submitted by: Hungary

Alert number: A12/00930/20

Product: Lighting chain

Name: IDEA'S CHRISTMAS 100 LED MINILUCCIOLE

Risk type: Electric shock

Category: Lighting chains

Brand: AB.M IDEA

Type / number of model: HX910825 - 8050766193708

Type of alert: Products with serious risks

The cable is not properly anchored and insulated. The product is not protected against moisture but is recommended for outdoor use too. The water could penetrate the product or the user could touch accessible live parts, which may cause an electric shock. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Recall of the product from end users, Withdrawal of the product from the market

Description: Lighting chain with 100 non-replaceable, white LED lamps, advertised as suitable for indoor and outdoor use.

Batch number / Barcode: 8 050766 193708

NO

Product: Passenger car

Name: Alpina B3

Risk type: Injuries

Category: Motor vehicles

Brand: Alpina

Type / number of model: Type-approval number: Individual approval

Type of alert: Products with serious risks

The vehicles affected may have been fitted with Takata non-azide driver inflator (NADI) gas generators in which inadequate sealing on the gas generator could allow the ingress of moisture and thus result in the degradation of the propellant. If the airbag deploys, this could cause the gas generator to underinflate or to burst. In the case of under inflation the protective effect is not given. In case of overpressure deployment metal parts can enter the vehicle interior, this could cause serious or fatal injuries to occupants of the vehicle. /

Product: Plush toy with sequins

Name:

Risk type: Injuries

Category: Toys

Brand: Sequin Collection

Type / number of model: 49112

Type of alert: Products with other risk levels

The sequins can easily be detached. A small child might put the toy in the mouth, detach the sequins with the teeth and inhale them. This could lead to infection in the lungs. / The product does not comply with the requirements of the Toy Safety Directive and the relevant European Standard EN 71-1.

Ban on the marketing of the product and any accompanying measures

Description: A plush toy dolphin, partially covered with blue plastic sequins.
