The Rapid Alert System for Non-Food Products (RAPEX)

RAPEX - Weekly overview report of notifications

Week 30 - 2020

Alert number: A12/01059/20

Product: Lighting chain

Name: LED 100 BOMBILLAS / beltéri LED karácsonyi égősor

Risk type: Burns, Electric shock, Fire

Category: Lighting chains

Brand:

Type / number of model: LED-GSK-100

Type of alert: Products with serious risks

The cable is not properly anchored and is too thin. The accessible wires have only basic insulation and are in contact with sharp edges. The cable could overheat, burning the user or leading to a fire. The user could touch accessible live parts, which may cause an electric shock. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598-1 and EN 60598-2-20.

Recall of the product from end users, Withdrawal of the product from the market

Description: Lighting chain with 99 non-replaceable purple LED lamps.

Batch number / Barcode: 8 000011 013688

UNKNOWN

Country of origin: People's Republic of China

Alert submitted by: Hungary

Model: LED-GSK-100
220V~240V, 50Hz, 7W
100 Lampen: 3.2V/20mA

- LED light only be used indoors.
- Do not connect plug while inside package.
- Do not connect the light on tree or other places at the same time.
- Please shut off the electricity before you leave or break.
- Keep away from children.
- Pay attention: stop using it if you find any trouble.

CE, F, IP20, RoHS

CE, F, IP20, RoHS

Alert number: A12/01077/20

Product: Candle-shaped luminaire

Name:

Risk type: Electric shock, Fire

Category: Lighting chains

Brand:

Type / number of model: ART NO: 531

Type of alert: Products with serious risks

The mechanical strength of the control device is not sufficient and the distance between the plug and the first lamp or lampholder is too short. The clearance/creepage distances between the primary and accessible secondary circuits are not sufficient, and the product is not sufficiently insulated from water. This can lead to an increased risk of electric shock to the user or of fire. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Recall of the product from end users, Withdrawal of the product from the market

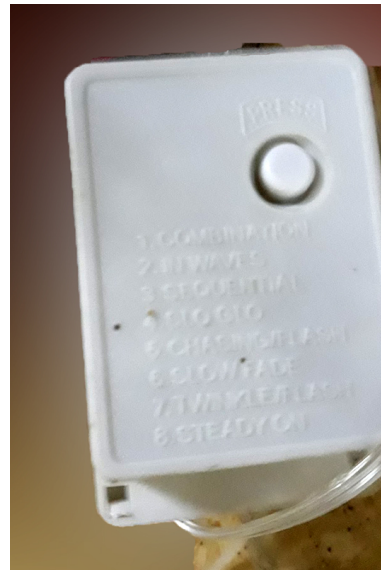

Description: Gold-red coloured luminaire in the shape of a candle.

Batch number / Barcode:

NO

Country of origin: People's Republic of China

Alert submitted by: Slovakia

Alert number: A12/01078/20

Product: Pyramid-shaped luminaire

Name:

Risk type: Electric shock, Fire

Category: Lighting chains

Brand:

Type / number of model: ART NO: 410, NIP: PL7822786616

Type of alert: Products with serious risks

The mechanical strength of the control device is not sufficient and the distance between the plug and the first lamp or lampholder is too short. The clearance/creepage distances between the primary and accessible secondary circuits are not sufficient, and the product is not sufficiently insulated from water. This can lead to an increased risk of electric shock to the user or of fire. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Recall of the product from end users, Withdrawal of the product from the market

Description: Golden coloured luminaire in the shape of a pyramid with a star.

Batch number / Barcode:

NO

Country of origin: People's Republic of China

Alert submitted by: Slovakia

Alert number: A12/01079/20

Product: Lighting chain

Name: 50 LED VANOCNI SVETELNY RETEZ

Risk type: Electric shock, Fire

Category: Lighting chains

Brand:

Type / number of model: LAG-50LED

Type of alert: Products with serious risks

The mechanical strength of the control device is not sufficient and the conductors in the wires are too thin. This can lead to increased risk of electric shock or fire. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Recall of the product from end users, Withdrawal of the product from the market

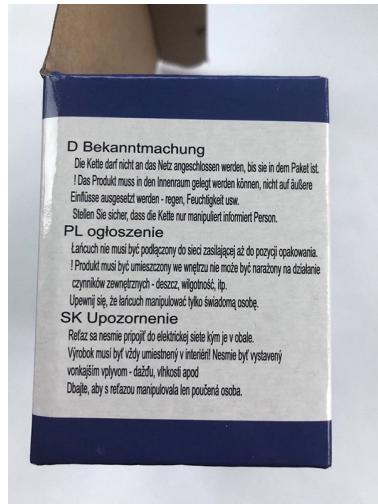

Description: Lighting chain with 50 LEDs and 8 functions.

Batch number / Barcode:

NO

Country of origin: People's Republic of China

Alert submitted by: Slovakia

Alert number: A12/01084/20

Product: Stone polisher

Name: Stone Polisher

Risk type: Electric shock

Category: Machinery

Brand: AL-FA

Type / number of model: ALWG24

Type of alert: Products with serious risks

The product can operate with fluid running through it but lacks the compulsory residual current protection device. Consequently, if liquid gets in contact with live parts, the product would not stop working and the user could touch live parts, increasing the risk of electric shock. / The product does not comply with the requirements of the Machinery Directive and the relevant European standards EN 60745-1 and EN 60745-2-3.

Withdrawal of the product from the market

Description: Mains powered angle grinder with built-in water inlet and a circular blade suitable for stone and other material polishing.

Batch number / Barcode:

UNKNOWN

Country of origin: People's Republic of China

Alert submitted by: Poland

Alert number: A12/01058/20

Product: Passenger car

Name: Clubman

Risk type: Injuries

Category: Motor vehicles

Brand: Mini

Type / number of model: Type-approval number: e1*2007/46*0371, e1*2007/46*1678, e1*2007/46*1680, e1*2007/46*1683, e1*2007/46*2063,

Type: UKL-L, FML2, FML4, FMK, FML2E

Type of alert: Products with serious risks

A rollover detection sensor inside the airbag control unit might be defective. Consequently, in the event of an accident in which the vehicle tips over its roof, the airbag might not properly deploy, increasing the risk of injuries of the passengers. /

Recall of the product from end users

Description: Passenger car
