The Rapid Alert System for Non-Food Products (RAPEX)

RAPEX - Weekly overview report of notifications

Week 48 - 2020

Technical problem

Alert number: A12/01602/20

Product: Laser fog light for car

Name: Car Laser Fog Lamp

Risk type: Damage to sight

Category: Laser pointers

Brand:

Type / number of model: Auto Laser Fog Lamp

Type of alert: Products with serious risks

The laser beam is too powerful (up to 75,6 mW). Direct viewing of the laser beam could cause damage to sight. / The product does not comply with the relevant European standard EN 60825-1.

Ban on the marketing of the product and any accompanying measures

Description: Laser product to be installed on the rear of a car. The product is also sold online.

Batch number / Barcode:

UNKNOWN

Country of origin: People's Republic of China

Alert submitted by: The Netherlands

Alert number: A12/01594/20

Product: Glue

Name: SVP super auto glue

Risk type: Chemical

Category: Chemical products

Brand: SVP

Type / number of model:

Type of alert: Products with serious risks

The product contains chloroform (measured value 0,655 % by weight). Chloroform in high doses causes skin irritation and can damage health if inhaled or swallowed. / The product does not comply with the REACH Regulation.

Withdrawal of the product from the market

Description: Sold in a tube.

Batch number / Barcode: 4779019620221

NO

Country of origin: United States

Alert submitted by: Lithuania

Alert number: A12/01596/20

Product: Hand disinfectant

Name: Gel Hand Sanitiser

Risk type: Health risk / other

Category: Chemical products

Brand: Chemistplus

Type / number of model:

Type of alert: Products with serious risks

The product contains less alcohol than advertised (measured value as low as 22% by weight). Consequently, it has insufficient disinfectant properties, increasing the risk of infection for the user. / The product does not comply with the Biocidal Products Regulation.

Withdrawal of the product from the market

Description: Colourless, transparent liquid. Ingredients listed as Alcohol Denat, Aqua, Xantham Gum, Butanone, Glycerol, Isopropyl Alcohol, Denatonium.

Batch number / Barcode: 0745125389592

NO

Country of origin: United Kingdom

Alert submitted by: United Kingdom

Alert number: A12/01597/20

Product: Hand disinfectant

Name: Desinfektion Handgel (50 ml)

Risk type: Chemical

Category: Chemical products

Brand: MIR 24

Type / number of model:

Type of alert: Products with serious risks

The product contains methanol (measured value: 65.3 % by weight), which is acutely toxic to the central nervous system and to the eyes.

Furthermore, the required hazard pictograms and warnings are missing. Users have therefore no information on the toxicity and flammability of the product. The packaging is not fitted with child-resistant fastening. Ingestion or contact with methanol may lead to blindness and death. / The product does not comply with the Biocidal Products and the Classification, Labelling and Packaging (CLP) Regulations.

Withdrawal of the product from the market

Description: Anti-bacterial hand gel for disinfection

Batch number / Barcode: 4 820238 450011

NO

Country of origin: Ukraine

Alert submitted by: Germany

Alert number: A12/01598/20

Product: Hand disinfectant

Name: Desinfektion Handgel (100 ml)

Risk type: Chemical

Category: Chemical products

Brand: MIR 24

Type / number of model:

Type of alert: Products with serious risks

The product contains methanol (measured value: 68.7 % by weight), which is acutely toxic to the central nervous system and to the eyes.

Furthermore, the required hazard pictograms and warnings are missing. Users have therefore no information on the toxicity and flammability of the product. The packaging is not fitted with child-resistant fastening. Ingestion or contact with methanol may lead to blindness and death. / The product does not comply with the Biocidal Products and the Classification, Labelling and Packaging (CLP) Regulations.

Withdrawal of the product from the market

Description: Anti-bacterial hand gel for disinfection

Batch number / Barcode: 4 820238 450066

NO

Country of origin: Ukraine

Alert submitted by: Germany

Alert number: A12/01600/20

Product: Hand disinfectant

Name: cleansing hand gel

Risk type: Fire, Health risk / other

Category: Chemical products

Brand: HEMA

Type / number of model: 11.31.9023

Type of alert: Products with serious risks

Due to its characteristic form, appearance and packaging, consumers, especially children and debilitated people, may mistake the product for foodstuff and therefore swallow the liquid. Moreover, the product's packaging does not have the appropriate warnings. Users have therefore no information on the toxicity of the product, which could lead to burns. / The product does not comply with the requirements of the Food imitating products Directive.

Recall of the product from end users

Company recall page: <https://www.hema.com/fr-fr/service-clientele/avertissement-de-securite> (<https://www.hema.com/fr-fr/service-clientele/avertissement-de-securite>)

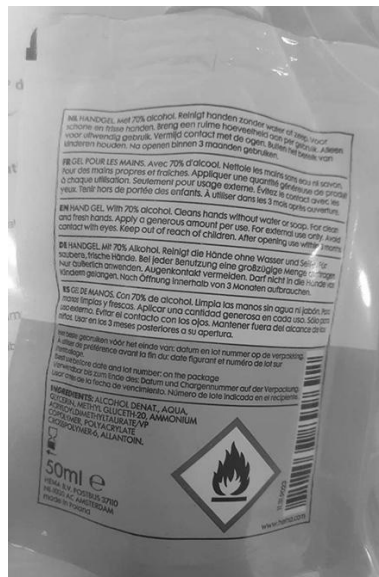

Description: 100 ml of transparent alcohol-based hand sanitiser gel. The product was also sold online.

Batch number / Barcode:

NO

Country of origin: Poland

Alert submitted by: France

Alert number: A12/01601/20

Product: Hand disinfectant

Name: Gel mains

Risk type: Burns, Health risk / other

Category: Chemical products

Brand:

Type / number of model:

Type of alert: Products with serious risks

The product contains an insufficient amount of ethanol (measured value: 43,3 % by weight). Consequently, it does not kill bacteria or viruses, which could then reach the user, increasing the risk of infection. Moreover, the presence of alcohols is not accompanied by the appropriate hazard pictograms and warnings. Users have therefore no information on the toxicity and flammability of the product, which in the presence of an ignition source, could lead to a fire. / The product does not comply with the Biocidal Products and the Classification, Labelling and Packaging (CLP) Regulations.

Recall of the product from end users

Description: 1 litre of gel for hands stated to be 'hydroalcoholic, antibacterial, antifungal, active against viruses, hypoallergenic, soothing, leave-on'.

Batch number / Barcode: 0783616226729

UNKNOWN

Country of origin: Portugal

Alert submitted by: France

Alert number: A12/01604/20

Product: Hand disinfectant

Name: Gel hidroalcoholico de manos

Risk type: Fire, Health risk / other

Category: Chemical products

Brand: PRADY

Type / number of model: 250 ml bottle: F2616, 500 ml bottle: F2604-1

Type of alert: Products with serious risks

The product contains an insufficient amount of ethanol (measured value: 56,6% by weight). Consequently, it does not kill bacteria or viruses, which could then reach the user, increasing the risk of infection. Moreover, the presence of alcohols is not accompanied by the appropriate hazard pictograms and warnings. Users have therefore no information on the toxicity and flammability of the product, which in the presence of an ignition source, could lead to a fire. / The product does not comply with the Biocidals Products and the Classification, Labelling and Packaging (CLP) Regulations.

Recall of the product from end users

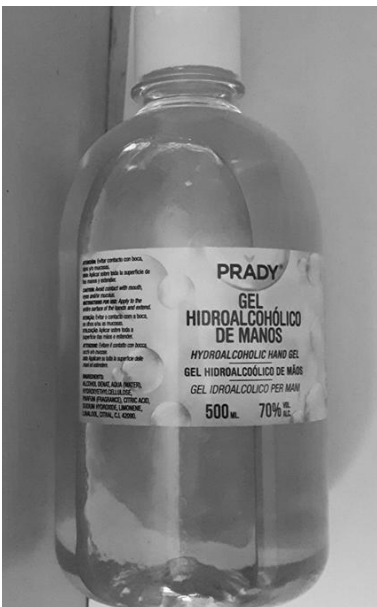

Description: Transparent alcohol-based hand sanitiser gel.

Batch number / Barcode: 250 ml bottle: 8423564091932, 500 ml bottle: 8423564092236

UNKNOWN
