The Rapid Alert System for Non-Food Products (RAPEX)

RAPEX - Weekly overview report of notifications

Week 5 - 2021

Alert number: A12/00118/21

Product: Hand disinfectant

Name: Instant hand sanitiser

Risk type: Burns, Chemical, Fire, Health risk / other

Category: Chemical products

Brand: ibcccndc

Type / number of model:

Type of alert: Products with serious risks

The product contains an insufficient amount of ethanol (measured values: 11% by volume). Consequently, it does not kill bacteria or viruses, which could then reach the user, increasing the risk of infection. Moreover, the product contains methanol (measured value: 26% by weight), which is acutely toxic to the central nervous system and to the eyes. Furthermore, the required hazard pictograms and warnings are missing. Users have therefore no information on the toxicity and flammability of the product. The packaging is not fitted with child-resistant fastening. Ingestion or contact with methanol may lead to blindness and death. / The product does not comply with the Biocidal Products Regulation.

Removal of this product listing by the online marketplace

Description: Plastic bottle with green cap, 50 ml. The product is sold online, in particular via AliBaba Group.

Batch number / Barcode: 6956654074413

NO

Country of origin: People's Republic of China

Alert submitted by: Sweden

Alert number: A12/00119/21

Product: Desk lamp with moving picture-foil

Name: Decor lamp / Dekoratív lámpa

Risk type: Electric shock

Category: Lighting equipment

Brand: Globo Lighting

Type / number of model: 28963

Type of alert: Products with serious risks

The cable is not properly anchored. The accessible wires are in contact with sharp edges. A user might touch the live parts and suffer an electric shock. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Recall of the product from end users, Withdrawal of the product from the market

Description: Table lamp with moving picture-foil representing an aquarium.

Batch number / Barcode: 9 007371 386994

NO

Country of origin: People's Republic of China

Alert submitted by: Hungary

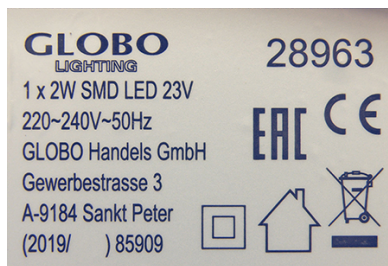

28963

incl. 1 x LED 2W 230V

Importer:
 Globo Handels GmbH
 Gewerbestraße 3
 A-9184 St. Peter
 www.globo-lighting.com
 Made in P.R.C.

Alert number: A12/00141/21
 Product: Portable LED lamp
 Name: SOLAR ZOOM CAMPING LAMP
 Risk type: Burns, Electric shock, Fire
 Category: Lighting equipment
 Brand: ZM
 Type / number of model: ZM-9599

Type of alert: Products with serious risks

The cables inside the mains power cord are too thin and could overheat during use. Furthermore, the plastic part of the luminaire's integrated plug is made of combustible material. The mains plug and output connector's pins' insulation and size are inappropriate and the USB port's insulation is inadequate, leaving live parts accessible. Live parts could also become accessible without the use of any tools. User may consequently suffer burns, receive an electric shock or the product may cause a fire. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60598.

Import rejected at border

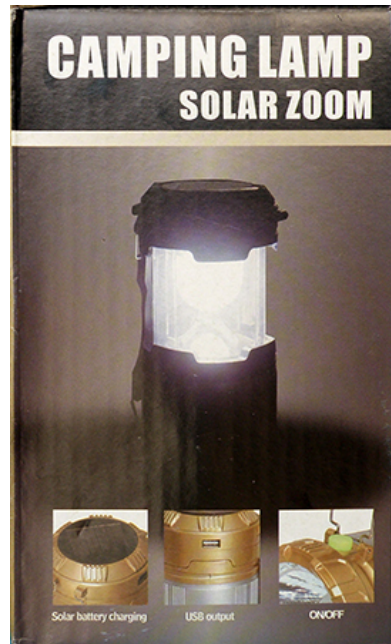

Description: Silver and black rechargeable and portable camping LED lamp with USB port, which can be operated directly from the mains, batteries or by the solar module.

Batch number / Barcode: 8 595532 698327

NO

Country of origin: People's Republic of China

Alert submitted by: Hungary

Specifications

Solar lantern with multi functions
Telescopic camping lamp power switch
Super bright white LED lamp
Solar panel, more effective
AC adaptor is option

PRODUCT DESCRIPTION

Alert number: A12/00145/21

Product: LED outdoor light

Name: LED reflektor

Risk type: Electric shock

Category: Lighting equipment

Brand:

Type / number of model: PO-1803

Type of alert: Products with serious risks

The product lacks the required markings and safety information. As a consequence, the user might connect and use the product incorrectly. Moreover, it does not provide adequate earthing connection and there may be ingress of water into the enclosure of light. The cable is not properly anchored and might come to loosening of wire. Due to the unsuitable material of the external insulation weather conditions might destroy it. As a consequence, the insulation of the product may be reduced and user may touch live parts, leading to an electric shock. / The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Ban on the marketing of the product and any accompanying measures, Withdrawal of the product from the market

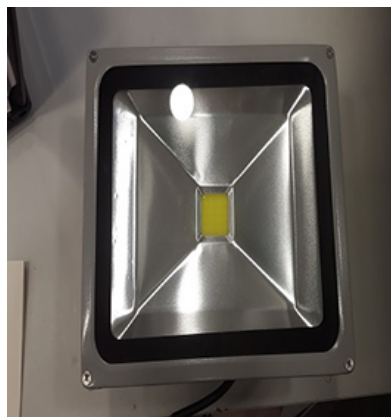

Description: Silver reflector.
