**Category:** Protective equipment

**Product:** Sunglasses

**Brand:** Cloud

**Name:** Sunglasses

**Type/number of model:** 6590

**Batch number/Barcode:**  
Unknown

**OECD Portal Category:** 51000000 - Healthcare

**Description:** Black-framed sunglasses with attached cardboard label bearing the following: CE, Category 3, UV protection.

**Country of origin:**  
China

Injuries

The right lens of the sunglasses has a category 4 protection filter but the labelling indicates category 3. The required warning for category 4 sunglasses 'Not suitable for driving motor vehicles or road use' is missing. There is a difference in light transmission between the right and left lenses which could impair the user's vision. A road accident could result if the consumer used the sunglasses while driving.

The product does not comply with the Personal Protective Equipment

**Compulsory measures:**  
Withdrawal of the product from the market, Recall of the product from end users

					Directive and the relevant European standard EN 1836.

Injuries

Insufficient tightening torque in the screw connection may result in increased play between the steering column and the power steering box. This may have a negative effect on steering.

**Voluntary measures:**  
Recall of the product from end users
