RAPEX - Weekly overview report of notifications

week 49 - 2015

Notification A12/1429/15 published in the weekly report n. 46/2015 has been withdrawn as it concerned a product already notified (A12/1350/14).

Alert number: A12/1568/15

Product: Liquid for e-cigarettes

Name: Unknown

Risk: Chemical

Category: Chemical products

Brand: DEKANG

Type/number of model: DESERT (24 mg)

Risk level: Serious risk

The product contains nicotine (measured value 25 mg/ml) yet the packaging lacks a clear reference to the presence of nicotine. The product does not contain an adequate safety label bearing risk-related indications, safety advice or recommendations for correct and safe use of the product, such as is required for toxic mixtures. The user therefore does not have the necessary information on the dangers incurred when the product comes into contact with the skin or if it is ingested. The product does not comply with the requirements of Directive 1999/45/EC relating to the classification, packaging and labelling of dangerous preparations.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Liquid for refilling e-cigarettes in transparent packaging with a fold-out adhesive label that is not firmly attached, supplied in a cardboard box.
