

The Rapid Alert System for Non-Food Products (RAPEX)

RAPEX - Weekly overview report of notifications

week 8 - 2016

Corrigendum : Notification A12/1758/15 in Report-2016-001 has been updated to include an additional brand name.

Alert number: A12/0203/16

Product: Tattoo ink

Name: Mario's Dragon Green Dark

Risk: Chemical

Category: Chemical products

Brand: Intenze

Type/number of model: Unknown

Risk level: Serious risk

The product contains barium (measured value 11700 mg/kg). Soluble barium salts can be absorbed from the tattoo and have toxic effects. Barium toxicity can lead to cardiac arrhythmias, respiratory failure, gastrointestinal dysfunction, paralysis, muscle twitching, and elevated blood pressure. The Council of Europe Resolution ResAP (2008)¹ on requirements and criteria for the safety of tattoos and permanent make-up, recommends that barium in tattoo inks does not exceed 50 mg/kg.

Measures taken by economic operators: Withdrawal of the product from the market (By: Distributor)

Description: Tattoo ink, supplied in a colourless, plastic bottle with a self-adhesive label, mixing ball and black screw-top fitted with a dispensing nozzle and rotating cap. The opening at the tip is sealed with coated foil.

Batch number/Barcode: Batch #G80Y68W106O64B74, MHD 11/2018, Lot SS171

Country of origin: United States

Alert submitted by: Germany

Alert number: A12/0237/16

Product: Insecticide spray

Name: Colombine Spray

Risk: Chemical

Category: Chemical products

Brand: Versele-Laga

Type/number of model: Orange 250ml spray can

Risk level: Serious risk

The product lacks the required safety cap, while it can contain up to 30% by weight of dichloromethane (according to the safety data sheet). The absence of a child-resistant fastening could lead children to accidentally swallow some of the product. The product does not comply with the Regulation on the classification, labelling and packaging of substances and mixtures (CLP).

Measures taken by economic operators: Recall of the product from end users (By: Distributor)

Description: Insecticide spray for the prevention of ectoparasites present in pigeon houses and means of transport used for pigeons.

Batch number/Barcode: 0063BJ EAN: 5410340656709

Country of origin: Belgium**Alert submitted by:** France**Alert number:** A12/0246/16**Category:** Chemical products**Product:** Bicycle repair kit**Brand:** LEIVA**Name:** KIT REPARACION PINCHAZOS ('Puncture repair kit'), Red Sun (glue)**Type/number of model:** Unknown**Risk:** Chemical**Risk level:** Serious risk

The glue contains 1,2 dichloroethane (measured value: 49%). 1,2 dichloroethane is carcinogenic and toxic if inhaled or if they get in contact with the skin. The product does not comply with the REACH Regulation

Measures ordered by public authorities: Withdrawal of the product from the market**Description:** Bicycle repair kit in blister pack containing various items: different types of keys, patches, two tubes of 'Red Sun' glue and a small storage box.**Batch number/Barcode:** 8431487307818**Country of origin:** China**Alert submitted by:** Spain**Alert number:** A12/0218/16**Category:** Childcare articles and children's equipment**Product:** Cradle**Brand:** Bebisnovi**Name:** Unknown**Risk:** Injuries**Type/number of model:** Nani**Risk level:** Serious risk

The locking mechanism of the swing system may easily unlock. If this happens while the child is unsupervised, the child could stand up, making the cradle tip over on one side. This could cause the child to fall and suffer injuries. The product does not comply with the relevant European standard EN 1130.

Measures taken by economic operators: Ban on the marketing of the product and any accompanying measures (By: Manufacturer)**Description:** Swinging white cradle for babies.**Batch number/Barcode:** Unknown**Country of origin:** Serbia**Alert submitted by:** Bulgaria**Alert number:** A12/0239/16**Category:** Childcare articles and children's

Product: Amber necklace
Name: Colliers d'ambre bébé
Risk: Choking

equipment
Brand: NATURAL AMBER
Type/number of model: 33 cm
Risk level: Serious risk

The cord of the necklace breaks easily, releasing the beads. A small child may put them in the mouth and choke.

Measures taken by economic operators: Withdrawal of the product from the market, Recall of the product from end users (By: Distributor)

Description: Necklace for babies, made of amber beads, presented in a small transparent plastic bag.

Batch number/Barcode: 3760160360747

Country of origin: Lithuania

Alert submitted by: France

Alert number: A12/0211/16
Product: Children's sweatshirt
Name: Unknown
Risk: Strangulation

Category: Clothing, textiles and fashion items
Brand: CHILDHOOD
Type/number of model: X-1432
Risk level: Serious risk

The drawstring with free ends in the hood can become trapped during various activities of the child, leading to strangulation. The product does not comply with the relevant European standard EN 14682.

Measures ordered by public authorities: Withdrawal of the product from the market, Recall of the product from end users

Description: Children's sweatshirt with hood and zip-fastener in different colours. The hood includes a drawstring with free ends. The product is decorated with inscriptions. Size: 134-164

Batch number/Barcode: Unknown

Country of origin: Unknown

Alert submitted by: Hungary

Alert number: A12/0212/16
Product: Children's waistcoat jacket
Name: Unknown
Risk: Injuries, Strangulation

Category: Clothing, textiles and fashion items
Brand: DONG
Type/number of model: A-03
Risk level: Serious risk

The product poses a risk of strangulation due to the presence of a drawstring in the hood with toggles at the ends. The cord is made of rubber and, if pulled, the toggles may spring back into the child's eyes and face, causing injuries. The product does not comply with the relevant European standard EN 14682.

Measures ordered by public authorities: Withdrawal of the product from the market, Recall of the product from end users

Description: Children's blue waistcoat jacket with hood and zip fastener. The hood includes an

elastic drawstring with plastic toggles. The product is decorated with embroidered inscriptions "B, F, R, S" and "SPORTBOYS". Size: 10-12

Batch number/Barcode: Unknown

Country of origin: Unknown

Alert submitted by: Hungary

Alert number: A12/0213/16

Product: Children's trousers

Name: Unknown

Risk: Injuries

Category: Clothing, textiles and fashion items

Brand: Nice Wear

Type/number of model: GC1551

Risk level: Serious risk

The product poses a risk of injuries because of the presence of unattached drawstrings in the waist area, which may become trapped during various activities of a child. The product does not comply with the relevant European standard EN 14682.

Measures ordered by public authorities: Withdrawal of the product from the market, Recall of the product from end users

Description: Grey leisure trousers for children decorated with denim. The waistband of the trousers includes an unattached drawstring with free ends. Size: 134-164

Batch number/Barcode: Unknown

Country of origin: Unknown

Alert submitted by: Hungary

Alert number: A12/0222/16

Product: Leather belt

Name: Unknown

Risk: Chemical

Category: Clothing, textiles and fashion items

Brand: Unknown

Type/number of model: 10090-1

Risk level: Serious risk

The amount of chromium (VI) found in the leather is too high (measured value 14.3 mg/kg). Chromium (VI) is sensitising and may trigger allergic reactions. The product does not comply with the REACH regulation.

Measures taken by economic operators: Withdrawal of the product from the market, Withdrawal of the product from the market (By: Distributor, Retailer)

Measures ordered by public authorities: Recall of the product from end users

Description: Black belt made of polyurethane and leather with metal buckle; length: 125 cm.

Batch number/Barcode: 4017826011000

Country of origin: China

Alert submitted by: Germany

Alert number: A12/0243/16**Product:** Leather wallet**Name:** Unknown**Risk:** Chemical**Category:** Clothing, textiles and fashion items**Brand:** Choice**Type/number of model:** H20, Style 71/7730/001**Risk level:** Serious risk

The amount of chromium (VI) found in the leather is too high (measured value 22.1 mg/kg). Chromium (VI) is sensitising and might trigger allergic reactions. Moreover, it contains azo-dyes releasing the aromatic amine benzidine (measured concentration 39.4 mg/kg). When the product is in direct and prolonged contact with the skin, this aromatic amine may be absorbed by the skin. Aromatic amines can cause cancer, cell mutations and affect reproduction. The product does not comply with the REACH Regulation.

Measures taken by economic operators: Withdrawal of the product from the market, Withdrawal of the product from the market (By: Distributor, Importer)

Description: Brown leather wallet with decorative stitching, fixed to a cardboard packaging.

Alert submitted by: Ireland

Alert number: A12/0231/16

Category: Cosmetics

Product: Skin-lightening product

Brand: 55 H+ PARIS

Name: Harmonie Repareteur - Multi-vitamin strong lotion with carrot oil

Type/number of model: Unknown

Risk: Chemical

Risk level: Serious risk

The product contains 3.56% by weight of hydroquinone. Hydroquinone causes skin irritation and dermatitis. The product does not comply with the requirements of the Cosmetic Products Regulation.

Measures taken by economic operators: Withdrawal of the product from the market (By: Retailer)

Description: Skin-lightening body milk supplied in a white plastic bottle with black and orange lettering and a gold embossed logo (500ml).

Batch number/Barcode: 098864005026; Batch number 0182

Country of origin: Unknown

Alert submitted by: Ireland

Alert number: A12/0235/16

Category: Electrical appliances and equipment

Product: Electric barbecue grill

Brand: BRAVO NIPPON

Name: BARBACOA GRILL

Type/number of model: Lot no: 294MAY15, BN3685

Risk: Burns

Risk level: Serious risk

The sides of the grill may overheat, the user may touch or hold the grill on the hot surfaces and suffer burns. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60335.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: 2000 W electric barbecue grill, 1-metre cable, supplied in cardboard box.

Batch number/Barcode: 8435411536855

Country of origin: China

Alert submitted by: Spain

Alert number: A12/0215/16

Product: Fitness gloves

Name: Gym Gear For Women

Risk: Environment, Chemical

Category: Hobby/sports equipment

Brand: BETTER BODIES

Type/number of model: 130323-991

Risk level: Serious risk

The pink textile material contains azo dyes releasing aromatic amine benzidine (measured value 67 mg/kg). When the product is in direct and prolonged contact with the skin, this aromatic amine may be absorbed by the skin. Aromatic amines can cause cancer, cell mutations and affect reproduction. Moreover the product poses an environmental risk because the plastic in the velcro strap contains short chain chlorinated paraffins (SCCP) (measured value up to 0.180 %). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. The product does not comply with the REACH Regulation and the Commission Regulation on persistent organic pollutants (POP Regulation).

Measures taken by economic operators: Withdrawal of the product from the market (By: Importer)

Description: Ergonomically developed gloves with reinforced palm area and breathable mesh. The gloves are made of black leather and pink fabric and are lined. They are sold in a transparent plastic bag with a zip.

Batch number/Barcode: 5327

Country of origin: Pakistan

Alert number: A12/0223/16

Product: Yoga mat

Name: Yoga Mat

Risk: Environment

Category: Hobby/sports equipment

Brand: Abilica

Type/number of model: Art no 942 250,
Batch no 14361

Risk level: Serious risk

The plastic in the mat contains 0.35 % by weight short chain chlorinated paraffins (SCCPs). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. The product does not comply with the Regulation on persistent organic pollutants (POP Regulation).

Measures ordered by public authorities: Withdrawal of the product from the market

Description: A mat for yoga made of blue PVC plastic

Batch number/Barcode: 7051949422500

Country of origin: China

Alert submitted by: Sweden

Alert number: A12/0224/16

Product: Yoga mat

Name: Fitness Mat Basic

Risk: Environment

Category: Hobby/sports equipment

Brand: Kettler

Type/number of model: FitnessMat basic/144112135

Risk level: Serious risk

The plastic in the mat contains 6.9% by weight short chain chlorinated paraffins (SCCP). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. The product does not comply with the Regulation on persistent organic pollutants (POP Regulation).

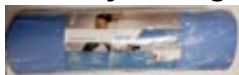

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Kettler Fitness Mat basic 172x61 cm, fitness mat, blue foam mat.

Category: Toys

Product: Plastic fan

Brand: Unknown

Name: Fashion

Type/number of model: Model: SB157G

Risk: Suffocation, Injuries, Choking

Risk level: Serious risk

The product can easily break and generate small parts (the on/off button, the vanes and the cap as well as the inner mechanism of the helix). A small child could put them in the mouth and choke on them. Furthermore, the plastic bag of the packaging is too thin. If a child plays with the packaging, the plastic could cover his/her mouth and nose, causing the child to suffocate. In addition, the toy includes a metal plate at the bottom of the helix with sharp edges, posing a risk of cuts. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Withdrawal of the product from the market

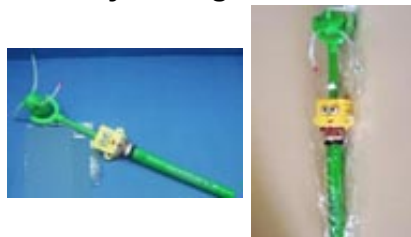

Description: Green plastic fan with a figure of "SpongeBob" in the middle of the handle.

Approximate length: 41 cm. The toy is packed in a transparent plastic bag. THE PRODUCT MAY BE COUNTERFEIT

Product: Plastic aeroplane

Brand: Unknown

Name: D-63 Super Power Plane

Type/number of model: Model: SB157G

Risk: Suffocation, Choking

Risk level: Serious risk

Small parts can easily detach from the toy (i.e. the plastic stickers, the wheels, the pull cord, the axis of the rear wheels and the inner fragments of the musical mechanism). A small child could put them in the mouth and choke on them. Furthermore, the plastic bag of the packaging is too thin and if a child plays with it, the plastic can cover her/his mouth and nose, causing the child to suffocate. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Green plastic aeroplane (approx. dimensions: 16.5x13x7 cm), decorated with multicoloured plastic stickers with inscriptions "Plane Super Power", "D-63 Super Power". When the cord at the tail of the plane is pulled, the toy moves and the round mechanism at the top rotates producing a flashing light and sounds. The toy is packed in a transparent plastic bag with the

inscription "TOYS TOYS".
