Product **Hair dye**

Risk type **Chemical**

According to the list of ingredients, the product contains Barium peroxide, which is forbidden in cosmetics and releases barium; the latter substance was found in the product (measured value: 13.6%). Barium can be easily absorbed and has toxic effects on the body impairing muscle, heart and kidney activity, leading to arrhythmia, paralysis or gastrointestinal alterations. Furthermore, the product contains p-aminophenol and p-phenylenediamine (PPD)(measured values: 2.9% and 0.1%, respectively) with an insufficient coupling agent. Uncoupled p-aminophenol and PPD are extreme skin sensitiser and can trigger allergic contact dermatitis.

The product does not comply with the Cosmetic Products Regulation.
