Alert number: A12/0470/16

(http://ec.europa.eu/consumers/consumers_safety/safety_products/rapex/alerts/main/?event=main.notification&search_term=A12/0470/16&exclude_search_term=0&search_year=2016) 

Category: Chemical products

Product: Sauna scent

Brand: Rento

Name: Rento TAPA KYLPEÄ - löylytuoksu Sitrus ('Citrus sauna scent')

Type/number of model: 260111

Batch number/Barcode: 641041260117

Risk: Chemical

The product lacks the appropriate labelling and warning of danger as required for hazardous substances (skin sensitising, skin irritating and eye irritating). The product does not comply with the Regulation on the classification, labelling and packaging of substances and mixtures (CLP).

Measures ordered by public authorities: Withdrawal of the product from the market

Alert number: A12/0483/16

(http://ec.europa.eu/consumers/consumers_safety/safety_products/rapex/alerts/main/?event=main.notification&search_term=A12/0483/16&exclude_search_term=0&search_year=2016) 

Category: Chemical products

Product: Tattoo ink

Brand: Eternal Ink

Name: Solid Gold

Type/number of model: Solid Gold

Batch number/Barcode: batch 20.07.15; production date 2015.08.20; expiry date 2018.07.20

Risk: Chemical

The product contains the aromatic amine o-toluidine (measured value 48 mg/kg). Aromatic Amines can cause cancer, cell mutations and affect reproduction. The Council of Europe Resolution ResAP (2008)1 on requirements and criteria for the safety of tattoos and permanent make-up, recommends that aromatic amines with carcinogenic, mutagenic, reprotoxic or sensitising properties should neither be present in tattoos and permanent make-up products nor released from azo-colourants. The product does not comply with the national legislation.

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Category: Childcare articles and children's equipment

Product: Amber necklace

Brand: Unknown

Name: Mon premier collier d'ambre ('My first amber necklace')

Type/number of model: M 244002 – CA1M

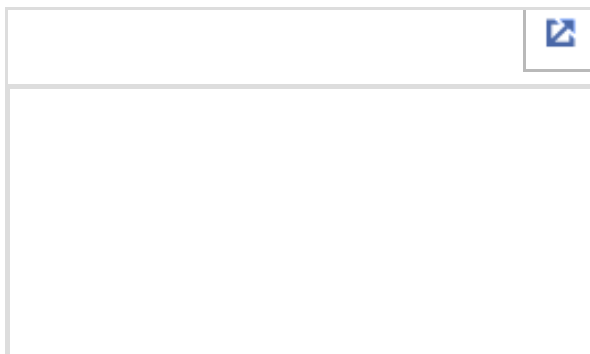

Batch number/Barcode: 3700273401142

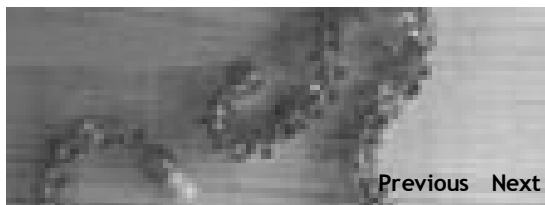

Risk: Strangulation

The clasp of the necklace does not break easily enough when under tension and children may be strangled.

Measures taken by economic operators: Withdrawal of the product from the market, Recall of the product from end users (By: Distributor)

Category: Decorative articles

Product: Decorative candles

Brand: PARTY FIESTA

Name: Candles

Type/number of model: CUPCAKE 191924

Batch number/Barcode: 1919240010009

Risk: Choking

The candles, due to their characteristic form, colour and size may be mistaken for foodstuff. Small parts can be easily detached from the product and this may lead children to put them in the mouth, swallow or ingest them. The product does not comply with the requirements of the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Measures ordered by public authorities: Withdrawal of the product from the market

Category: Electrical appliances and equipment

Product: Mobile phone with charger

Brand: XIAOMI

Name: Unknown

Type/number of model: Charger: CH-P002

Batch number/Barcode: Unknown

Risk: Electric shock

The insulation between the primary and the secondary circuit of the charger is not sufficient, which may cause an electric shock. The pins of the converter plug adapter do not have an insulating collar, so when inserting the plug the user may touch the live pins. The plug adapter allows single-pole insertion of the charger, leaving the remaining free live pin accessible. The product does not comply with the requirements of the Low Voltage Directive and the relevant standards EN 60950 and IEC 60884.

Measures ordered by public authorities: Withdrawal of the product from the market, Recall of the product from end users

Category: Electrical appliances and equipment

Product: Electric griddle pan

Brand: THULOS

Name: Electric Grill

Type/number of model: TH-PA 461

Batch number/Barcode: 8436550620535

Risk: Burns, Electric shock

Live electrical connections are accessible. The stainless-steel sides of the appliance become too hot. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60335.

Measures ordered by public authorities: Withdrawal of the product from the market

[+ View more](#)

Alert number: A12/0892/15

Category: Electrical appliances and equipment

Product: Mains extension lead

Brand: AOBOER

Name: Unknown

Type/number of model: GBK10

Batch number/Barcode: Unknown

Risk: Electric shock

The plastic is not sufficiently resistant to heat and live parts could become accessible as a consequence. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 20315.

Measures ordered by public authorities: Import rejected at border

Category: Furniture

Product: Folding chairs

Brand: MAXCHIEF EUROPE

Name: Taburete plegable ("folding stool")

Type/number of model: 1) PC-24 Markus model 2) PC-24N-W Arianne model

Batch number/Barcode: Unknown

Risk: Injuries

The chairs are unstable, which may lead to the user falling, possibly causing injury. The product does not comply with the relevant European standard EN 1022.

Measures ordered by public authorities: Import rejected at border

Category: Gas appliances and components**Product:** Gas barbecue**Brand:** SMEG**Name:** Unknown**Type/number of model:** BIBQ1205F BIBQ1205H**Batch number/Barcode:** 8017709184988 8017709184995**Risk:** Fire

In specific circumstances, a process of galvanic oxidation could be triggered, which could create a small hole in the fuel pipe of one of the burners, resulting in a gas leak. Given that the hole is always downstream of the burner's gas tap, the risk is not present when the appliance is not being used. The product does not comply with the requirements of the Gas Appliances Directive and the relevant European standards EN 498, EN 30-1-1 and EN 437.

Measures taken by economic operators: Recall of the product from end users (By: Manufacturer)[+ View more](#)**Alert number:** A12/0485/16

(http://ec.europa.eu/consumers/consumers_safety/safety_products/rapex/alerts/main/?event=main.notification&search_term=A12/0485/16&exclude_search_term=0&search_year=2016) 

Category: Kitchen/cooking accessories**Product:** Vacuum flask**Brand:** Pendo**Name:** 1L Vacuum jug flask**Type/number of model:** O-58836

Batch number/Barcode: Bar code: 5050577588369

Risk: Chemical

The separators of the double glass wall of the flask contain asbestos fibres. If the flask breaks, the user may inhale asbestos fibres, which are carcinogenic. The product does not comply with the REACH Regulation.

Measures ordered by public authorities: Temporary ban on the supply, offer to supply and display of the product

Category: Lighting equipment

Product: Lamp holder

Brand: PRIMERA

Name: Casquillo

Type/number of model: BAL E14-E27

Batch number/Barcode: 7899055278105

Risk: Electric shock

There is insufficient protection against accidental contact with live parts. The user can touch the live lamp cap during insertion. The product does not comply with the Low Voltage Directive and the relevant European standard EN 60238.

Measures ordered by public authorities: Withdrawal of the product from the market

[+ View more](#)

(http://ec.europa.eu/consumers/consumers_safety/safety_products/rapex/alerts/main/?event=main.notification&search_term=A12/0467/16&exclude_search_term=0&search_year=2016) 

Category: Machinery

Product: Submersible pump

Brand: Heidmann

Name: Pompa rozdrabniacz / Tauchmotorpumpe

Type/number of model: G81423

Batch number/Barcode: 5901477121944

Risk: Electric shock

The conductors in the cable are too thin. Overheating of the cable can cause parts of the insulation of the cable to disintegrate and thereby expose live sections of the cable which may be touched. Furthermore, there is a risk that the water pumped out will be under voltage. The product does not comply with the requirements of the Machinery Directive and the relevant European standard EN 60335.

Measures taken by economic operators: Withdrawal of the product from the market (By: Retailer)

Category: Machinery

Product: Submersible pump

Brand: Heidmann

Name: Pompa do Szamba Tauchmotorpumpe

Type/number of model: H00605

Batch number/Barcode: 5901477122613

Risk: Electric shock

The cables are not correctly marked. It is thus impossible to assess whether the cable meets the requirements of heavy-duty rubber-insulated cables. There is a risk that the cable is not suited to contact with water and that the user could consequently receive an electric shock on contact with the water. The product does not comply with the requirements of the Machinery Directive and the relevant European standard EN 60335.

Measures taken by economic operators: Withdrawal of the product from the market (By: Retailer)

Category: Machinery

Product: Electric chainsaw

Brand: GREEN TEC

Name: Chain Saw 2000W

Type/number of model: KPCS0118

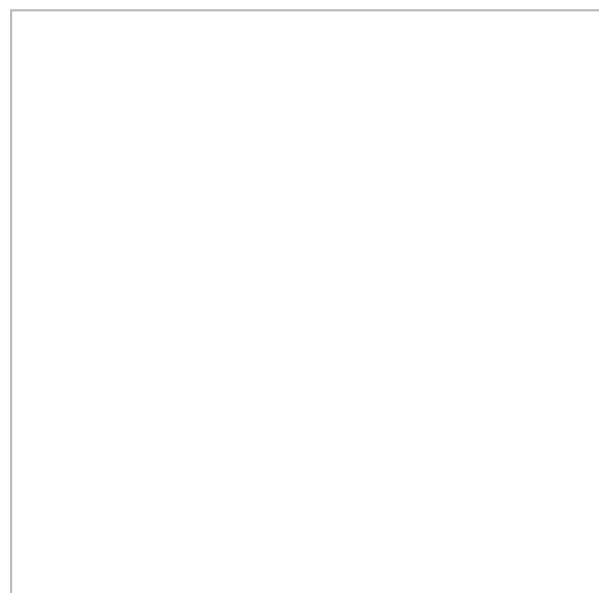

Batch number/Barcode: 2009610021770

Risk: Electric shock

The housing is not strong enough and could break. The user could consequently come into contact with live parts. Not all necessary safety warnings are provided. The product does not comply with the requirements of the Machinery Directive and the relevant European standard EN 60745.

Measures ordered by public authorities: Withdrawal of the product from the market

Category: Motor vehicles

Product: Passenger car

Brand: Jaguar

Name: XE

Type/number of model: Right hand drive vehicles.

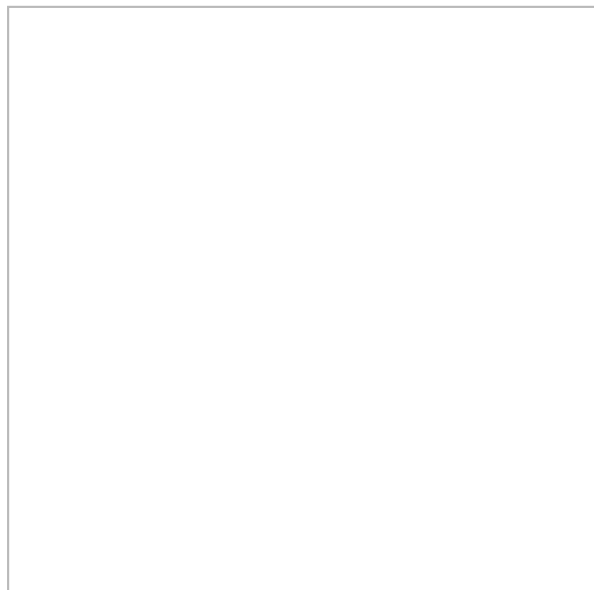

Batch number/Barcode: Only right hand drive vehicles are affected. Vehicles produced from 09/02/2016 to 14/03/2016

Risk: Injuries

The Restraints Control Module harness connector has the passenger side pre-tensioner wired to the driver's side connection and driver's side pre-tensioner to the passenger side connection. In this condition, in the event of an accident where the pre-tensioner system would deploy and the passenger seat is unoccupied, the driver's seat belt pre-tensioner will not deploy. As a result, the driver will not be restrained as intended and the risk of injury to the driver may be increased.

Category: Protective equipment

Product: Equestrian helmet

Brand: LAS

Name: New Dragon

Type/number of model: Model: white RG 0637/102. Helmet 1: 907F00052X1, size 52 Helmet 2: 907F00054X2, size 54 Helmet 3: 907F00056X3, size 56

Batch number/Barcode: Helmet 1: 06.2005; Helmet 2: 02.2008; Helmet 3: 07.2013.

Risk: Injuries

The helmet does not adequately absorb impacts. Moreover, the retention system is not sufficiently strong and might break, leading to head injury in the event of a fall or impact. The product does not comply with the requirements of the Personal Protective Equipment Directive and the relevant standard EN 1384.

Measures taken by economic operators: Withdrawal of the product from the market, Recall of the product from end users (By: Distributor)

Category: Protective equipment

Product: Welding gloves

Brand: Würth

Name: Welderking

Type/number of model: 0984 325 10

Batch number/Barcode: 4045989114191

Risk: Chemical

The amount of Chromium (VI) in the leather of the gloves is too high (measured value: 7.3 mg/kg). Chromium (VI) is sensitising and may trigger allergic reactions. The product does not comply with the REACH Regulation and with the requirements of the Personal Protective Equipment Directive.

Measures ordered by public authorities: Import rejected at border

Category: Toys

Product: Wooden toy car

Brand: BESTTOY

Name: Unknown

Type/number of model: Unknown

Batch number/Barcode: 4016096335069; 147287

Risk: Chemical

The amount of nickel released by the tyre rivets of the toy car is too high (measured value up to 2.63 µg/cm²/week). Nickel is a strong sensitizer and can cause allergic reactions if present in articles that come into direct and prolonged contact with the skin. The product does not comply with the REACH Regulation.

Measures taken by economic operators: Withdrawal of the product from the market (By: Distributor)

Category: Chemical products

Product: Valve oil for musical instruments

Brand: BLUE JUICE

Name: Valve Oil

Type/number of model: Unknown

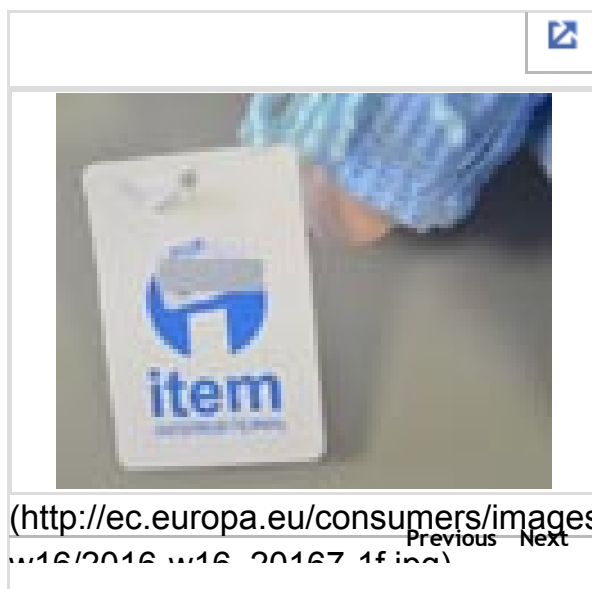

Batch number/Barcode: 898963000027

Risk: Chemical

The product has an aspiration hazard and lacks the required labelling, child-resistant fastening and tactile warning of danger. Children could accidentally swallow some of the product leading to aspiration toxicity including chemical pneumonia. The product does not comply with the Regulation on the classification, labelling and packaging of substances and mixtures (CLP).

Category: Toys

Product: Fabric doll

Brand: ITEM INTERNATIONAL

Name: Unknown

Type/number of model: MN-107517

Batch number/Barcode: 8424001075171

Risk: Choking

The fibrous stuffing material of the doll is easily accessible due to the weakness of certain seams. The stuffing material may cause choking if put in the mouth by children. The product does not comply with the

requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Withdrawal of the product from the market
