

Alert number **[A12/01136/22](#)**

Product **Food dehydrator**

Risk type **Burns
Electric shock
Fire**

The fan inside the appliance and the external enclosure can melt and catch fire. The safety features (non-self resetting cut-out) may not activate when needed. Live parts may become accessible while the heating element may fuse the mains supply when touching the earthed frame, and the product may suffer an electric breakdown. Moreover, the product's supply cord may overheat. Hence, the product could cause a fire, and the user may receive an electric shock from accessible live parts or burns.

The product does not comply with the requirements of the Low Voltage Directive nor with the European standards EN 60335-1 and EN 60335-2.

Category **Kitchen/cooking accessories**

Type **Consumer**

Description **Food dehydrator with four racks, made of black plastic. Product sold online.**

Product

Necklace and earrings set

Risk type

Chemical

The earrings contain excessive amounts of cadmium and lead (measured values: 0,023 % by weight and 10,7 % by weight, respectively) and release an excessive amount of nickel (measured value: 0,28 g/cm²/week). Cadmium is harmful to human health, because it accumulates in the body and can damage organs and it may cause cancer. Lead is harmful to human health, accumulates in the body, can cause developmental neurotoxicity and may also affect breast-fed or unborn children. Nickel is a strong sensitizer and can cause various allergic reactions if it occurs in objects that come into direct and prolonged contact with the skin.

The product does not comply with the REACH Regulation.

Product

Particle filter mask

Risk type

Health risk / other

After washing, the particle/filter retention capacity of the material reduces significantly (measured values: as low as 69%). Furthermore, the product contains erroneous indications regarding its use, reducing its protective function. Consequently, the product does not fulfil the health and safety requirements; thus, even if combined with other recommended measures, it may not properly protect.

The product does not comply with the Personal Protective Equipment Regulation nor with the European standard EN 149.

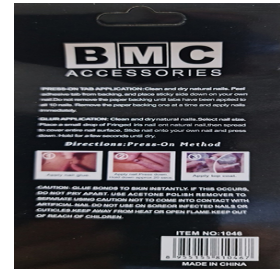

Category

Protective equipment

Type	Consumer
Description	Reusable respiratory protective half-face mask with adjustable ear loops and cotton outer layer, available in at least 7 diff. colours (incl. black, white, pink, blue, green, each w. different barcode), with "FFP2" and the CE mark printed on. Product **Four-wheeled all terrain vehicle**

Risk type **Injuries**

Some vehicles are assembled without a half-steering column bushing, which could cause the dynamic power steering shaft to break. This can lead to loss of steering control, increasing the risk of an accident.

The product does comply with the Regulation on the type-approval and market surveillance of two- or three-wheel vehicles and quadricycles.

Category **Motor vehicles**

Type **Consumer**
