 Product Particle filter mask

Risk type Health risk / other

The particle/filter retention of the material is insufficient (measured values: as low as 88%) and the total filtration capacity of the mask is insufficient (measured mean values: as low as 83%). Consequently, the product does not fulfil the health and safety requirements; thus, even if combined with other recommended measures, it may not properly protect.

The product does not comply with the Personal Protective Equipment Regulation nor with the European standard EN 149.

Category Protective equipment

Type Consumer

Description Particle filtering half mask with two ear straps without valve, outside grey colour, inside white colour, marked with FFP2 and with the CE marking printed on. Product sold online.

Packaging description	Blue-white cardboard box, containing a total of 10 masks, marked with FFP2 and with the CE marking, with the indications "production date 12/2021" and "expiration date 12/2023". Individual pouches have a barcode 4251806399935, while the outside package has a barcode 4251806399928.

Alert number A12/01781/22

Product Passenger car

Risk type Injuries

Due to the swelling of the valve in the vacuum pump, the negative pressure of the brake boosters can be temporarily blocked. Consequently, even if the braking system remains functional, the brake pedal must be pressed hard, increasing the risk of an accident.

The product does not comply with the Regulation on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles.

Category Motor vehicles

Type Consumer

Alert number A12/01779/22

Product Toy gun set

Risk type

Chemical
Choking
Injuries

The suction cups contain an excessive concentration of bis-2-ethylhexyl phthalate (DEHP) and dibutyl phthalate (DBP) (measured values: up to 5.6% and 6.2% by weight, respectively); these phthalates may harm the health of children, causing possible damage to the reproductive system. In addition, the suction cups of the projectiles can be easily detached, and a child can put them in the mouth and choke. Furthermore, there are no warnings in the toy about the danger of aiming at the eyes or face, which could cause injuries, especially to the eyes.

The product does not comply with the REACH Regulation, nor with the requirements of the Toy Safety Directive, nor with the European standard EN 71-1.

Category

Toys

Type

Consumer

Description

The toy set contains 3 black projectiles with red suction cups, as well as either a black plastic toy gun and three plastic toy targets, or 2 black and orange plastic toy guns.

Packaging description

Transparent plastic blister, with a coloured cardboard back containing a target.
