Product Soft toy

Brand Unknown

Is the product counterfeit? Counterfeit

Product description Pig-shaped soft toy with a checked shirt with collar and dark bow, brown trousers with suspenders. A suction cup is attached on the head of the toy.

Risk type Chemical
Choking

Risk description The toy has a small part (suction cup) and fibrous stuffing material that may easily detach. A child may put this in the mouth and choke. The plastic material of the suction cup contains an excessive concentration of Di(2-ethylhexyl)phthalate (DEHP) (measured value up to 40 % by weight). This phthalate may harm the health of children, possibly causing damage to their reproductive systems.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product does not comply with the REACH Regulation, nor with the requirements of the Toy Safety Directive nor with the European standard EN 71-1.

EC-type approval/model e9*168/2013*11480*01

Product description Electric scooter Smarda SE - 03 in red and black colour with battery 20 +20 + 20 Ah. Product also sold online.

Risk type Electric shock
Fire
Injuries

The braking effect of the front braking system is insufficient,

Risk description	increasing the risk of an accident. The headlight is not mechanically fixed correctly, proper visibility is not ensured and there is a risk of blinding other road users. Moreover, the charger is not sufficiently resistant to shocks in the AC power cords, increasing the risk of fire. Furthermore, where there is a voltage of more than 60 V DC in the battery connectors, protection against direct contact with live parts is not provided, increasing the risk of electric shock.
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product does not comply with the Regulation on the approval and market surveillance of two- or three wheel vehicles and quadricycles.
