Product category Chemical products

Type Consumer

Product Pest control product

Name Mole Killer

Packaging description Bluish-grey aluminium-coated plastic packaging. 'Tear-open' fastening. Dimensions of the packaging: WxH 12.9 cm x 21.7 cm. Labelling in English On the front: comic illustration of a laughing mole with a photograph of a dead mole underneath. On the back: skull and exclamation mark pictograms.

Brand Stop Mole

Type / number of model 500 Baits

Product description Granules. Product also sold online.

Risk type Chemical

Risk description The packaging does not have the required safety label, with risk-related indications in the national language. The user therefore lacks the necessary information on the dangers if the product comes into contact with the skin or if it is ingested. In addition, the product is not equipped with a child-resistant fastening and a tactile warning of danger.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product does not comply with the classification, labelling and packaging (CLP) Regulation nor with the Biocidal Products Regulation.

Product Lighting chain

Name Multi-Function-100L, Led Light, EK-04, 8 programs mini controller

Packaging description Paper cardboard box.

Brand Unknown

Type / number of model Multi-Function-100L, EK-04

Barcode 6900643001157

Product description Christmas LED lighting chain with 8 programs and mini controller.

Risk type Electric shock  
Fire

Risk description The product's mains cable lacks the appropriate insulation and is insufficiently anchored. The cover of controller could be easily opened without any tools and is not water resistant. The dielectric strength is insufficient. As a result, accessible parts can become live and the user could receive an electric shock from them. Moreover, the cables are too thin and could

overheat, increasing the risk of fire.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Low Voltage Directive nor with the European standards EN 60598-2-20 and EN 60598-1.
