Product Pushchair

Name Baby stroller mod. Comodo

Packaging description Cardboard box

Brand Joycare

Type / number of model IC-1501

Barcode 8051764735013

Product description Baby stroller pushchair in dark blue and black.

Risk type
Choking
Injuries
Suffocation

Risk description The restraint system does not provide adequate protection as it allows a child to fall out and suffer injuries. In addition, small parts (velcro of the rain cover and pull of the bumper bar zip) can easily detach. A small child may put them in the mouth and choke. Moreover, the plastic bag of the packaging is too thin. If a child plays with the packaging, the plastic could cover the mouth and nose, causing a risk of suffocation.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the General Product Safety Directive nor with the European standard EN 1888.

Product Tattoo ink

Name Natural Pigment Brown Coffee

Packaging description Black/brown container with gold letters and a white cap

Brand Y.X

Product description Tattoo ink in a black/brown container. Product sold online.

Risk type Chemical

Risk description The product contains arsenic, cobalt, lead and nickel (measured values 2.6 mg/kg, 11 mg/kg, 0.90 mg/kg and 12 mg/kg, respectively). Arsenic may cause cancer, may damage fertility or the unborn child, causes damage to organs through prolonged or repeated exposure. Cobalt is a skin sensitiser and may cause cancer. Lead is harmful to human health, accumulates in the body and may affect breast-fed or unborn children. Nickel can cause skin irritation, induce sensitisation or elicit allergic responses.
