Product LED strip light

Name RGB LED light

Packaging description Plastic bag

Brand Unknown

Product description Led strip lights with a remote control, a USB cable and a battery. Product sold online.

Risk type Chemical  
Environment

Risk description The black plastic in the USB cable, the solders of the battery, on/off button and the printed circuit board (PCB) in the product have excessive concentrations of lead (measured value up to 66.2% by weight respectively). Lead poses a risk to the environment. The plastic material of the USB cable has excessive concentrations of bis(2-ethylhexyl) phthalate (DEHP) and short chain chlorinated paraffins (SCCPs) (measured value up to 1.87% and 1.26% by weight, respectively). DEHP may harm the health of adults and children by possibly causing damage to the reproductive system. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bio-accumulate in

wildlife and humans, posing a risk to human health and the environment. Prolonged exposure to them through the skin may cause cancer.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS 2 Directive), nor with the Persistent Organic Pollutants (POP) Regulation.
