Product Neck fan

Name Instant Cold™ neck fan

Packaging description Cardboard box

Brand Fan

Type / number of model 6994319860164

Barcode 6994319860164

Product description Neck fan made of hard plastic. Product sold online.

Risk type Chemical  
Environment

Risk description The solders on the printed circuit board (PCB), a connection to battery and the USB cable have excessive concentrations of lead (measured values up to 62.7%, 71% and 0.34% by weight, respectively). Lead poses a risk to the environment. The plastic material in the cable has excessive concentrations of bis(2-ethylhexyl) phthalate (DEHP), dibutyl phthalate (DBP) and short chain chlorinated paraffins (SCCPs) (measured values up to 2.48%, 2.0% and 2.24% by weight, respectively).

DEHP and DBP may harm the health by causing possible damage to the reproductive system. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bio-accumulate in wildlife and humans, posing a risk to human health and the environment. Prolonged exposure to them through the skin may cause cancer.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS 2 Directive) nor with the Persistent Organic Pollutants (POP) Regulation.
