Product HDMI cable

Name Premium Cable HDMI 1.5 meter Högkvalitativ HDMI-k

Packaging description Transparent plastic bag

Brand Unknown

Type / number of model A1000896

Product description Black HDMI(high definition multimedia interface) cable.

Risk type Chemical
Environment

Risk description The black plastic material has an excessive concentration of bis(2-ethylhexyl) phthalate (DEHP) and dibutyl phthalate (DBP) (measured values: 2.44% and 0.21% by weight, respectively). These phthalates may harm the health of children, possibly causing damage to the reproductive system. The product also has an excessive concentration of lead (measured value up to 0.19% by weight). Lead poses a risk to the environment. The plastic cable also has an excessive concentration of short chain chlorinated paraffins (SCCPs), (measured value up to 1.08 % by weight). SCCPs

persist in the environment, are toxic to aquatic organisms at low concentrations and bio-accumulate in wildlife and humans, posing a risk to human health and the environment. Prolonged exposure to them through the skin may cause cancer.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS 2 Directive) nor with the Regulation on persistent organic pollutants (POPs).
