Product Bag

Name EasyRide™ | Touchscreen

Packaging description No packaging

Brand Unknown

Product description Green bag with transparent plastic window. Product sold online.

Risk type Chemical
Environment

Risk description The plastic material of the product has an excessive concentration of bis(2-ethylhexyl) phthalate (DEHP) and short chain chlorinated paraffins (SCCPs) (measured values up to 19% and 0.44% by weight, respectively). This phthalate may harm the health by possibly causing damage to the reproductive system. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. Prolonged exposure to them through the skin may cause cancer.

The product does not comply with the REACH Regulation nor

Legal provisions (at EU level) and European standards against which the product was tested and did not comply	the Persistent Organic Pollutants (POP) Regulation.
