Product Chargeable flashlight

Name Power torch

Packaging description White cardboard box.

Brand Unknown

Product description Chargeable flashlight with USB. Product sold online.

Risk type Chemical
Environment

Risk description The solders in the product and the plastic material of the cable have an excessive concentration of lead (measured value: up to 78% and 0.34% by weight, respectively). Lead poses a risk to the environment. The plastic material of the cable has an excessive concentration of bis(2-ethylhexyl) phthalate (DEHP) and dibutyl phthalate (DBP) (measured values: up to 1.8% and 3.4% by weight, respectively) DEHP and DBP pose a risk to human health and the environment. The plastic material of the cable has an excessive concentration of short chain chlorinated paraffins (SCCPs) (measured values: up to 2.2 % by weight). SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bio-accumulate in wildlife and humans,

posing a risk to human health and the environment. Prolonged exposure to them through the skin may cause cancer.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS Directive), nor with the Persistent Organic Pollutants (POP) Regulation.

Risk type Environment

Risk description The solders in the product have an excessive concentration of lead (measured value up to 74 % by weight). The plastic material of the product has excessive concentrations of bis(2-ethylhexyl) phthalate (DEHP) and dibutyl phthalate (DBP) (measured values: 1.1 % and 0.27 % by weight, respectively). Lead poses a risk to the environment. These phthalates may harm the health by possibly causing damage to the reproductive system.

Legal provisions (at EU level) and European standards against which the product was tested and did

The product does not comply with the requirements of the Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS Directive).
