Notifying country France

Product category Chemical products

Type Consumer

Product Glue

Name OILY GLUE

Packaging description Bottle.

Brand OUHOE

Product description Strong all-purpose adhesive for the welding of metal, welding flux, and oily raw material, 50 ml. Product sold online, in particular via AliExpress.

Risk type Chemical

Risk description The product contains an excessive amount of chloroform (measured value 11.6% by weight). Chloroform causes skin irritation, can harm health by inhalation or ingestion and is suspected of causing cancer. Moreover, the product lacks the correct labelling to inform the consumers of the inherent risk of using this product and therefore does not provide any information on the hazards it presents.

Legal provisions (at EU level) and European standards against which the The product does not comply with the REACH Regulation nor with the Regulation on the classification, labelling and packaging of substances and mixtures (CLP).
