Notifying country Italy

Product category Motor vehicles

Type Consumer

Product Passenger car

Name Ferrari SF90 Stradale - SF90 Spider

Brand Ferrari

Production dates 11/2022 - 10/2023

Company recall code n°86

Product description Passenger car

Risk type Fire

Risk description The turbocharger oil delivery pipe may not be sufficiently thick and may have a notch on its outer surface. As a result, it could become damaged and oil could leak, increasing the risk of fire.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product does not comply with the Regulation on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles.

Type Consumer

Product Dehumidifier

Name Rohan - Déshumidificateur d'air connecté

Packaging description Cardboard box

Brand Air & Me

Batch number CF01751/00001 to CF01751/00830

Product description Portable dehumidifier, which is plugged into a mains supply. The product is sold online, in particular via Amazon (no known ASIN).

Risk type Fire

Risk description The electrical assembly of some units is incorrect. If the user's electrical installation is not up to standard, the compressor of the dehumidifier heats up and may cause a fire.

Legal provisions (at EU level) and European standards against which the product was tested and did This product does not comply with the requirements of the Low Voltage Directive.

Notifying country	Malta
Product category	Toys
Type	Consumer
Product	Toy gun
Name	Toy gun
Packaging description	Plastic packaging.
Brand	Unknown
Type / number of model	40665
Batch number	GTF048 25112021
Barcode	8022645408654
Product description	Toy gun with projectiles and bowling pins.
Risk type	Choking Damage to sight Injuries
Risk description	The suction cups of the projectiles can be easily detached. A child can put them in the mouth and choke. Moreover, the kinetic energy of the projectiles fired from the toy gun is too high and the leading part is not made of resilient material. This can lead to eye injuries.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-1.

Product Musical toy

Name Activity Music Triceratops

Packaging description Transparent plastic bag.

Brand Konges slojd

Type / number of model KS4221, 158515005

Batch number 082022

Barcode 5715404003599

Product description Babies' musical box in the shape of a green stuffed triceratops-dinosaur.

Risk type Strangulation
Suffocation

Risk description The perimeter of the fixed loop in the back of the dinosaur is too long. This loop can tangle around the neck of a child, leading to strangulation. In addition, the plastic of the packaging is too thin. If a child plays with the packaging, the plastic can cover the mouth and nose, causing the child to

suffocate.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply
