Production dates	03/03/2023 - 26/07/2023
Company recall code	CI23-041
Product description	Light commercial vehicle equipped with software calibration of the electronic engine control unit (ECU)
Risk type	Environment
Risk description	Due to an error in the specific calibration software of the electronic engine control unit (ECU), an incorrect value may be given when the data are processed by the vehicle. This may result in nitrogen oxide (NOx) emissions that are above the regulatory limits. Excessive NOx emissions pose a risk to the environment.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product does not comply with the Regulation on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles.
Country of origin	France

Product category Lighting chains

Type Consumer

Product Lighting chain

Name CURTAIN LIGHT 3 M 10 HANGING

Packaging description Colourful cardboard box..

Brand Unknown

Type / number of model 100L/3\*8

Barcode 6958984100381

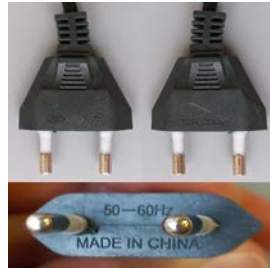

Product description Ornamental light chain with transparent plastic balls containing 100 colourful, non-replaceable LEDs, a flashing unit, and a socket that allows expansion with additional

members.

Risk type	Burns Electric shock Fire
Risk description	The cable is not properly anchored and is too thin. The cable could consequently overheat, leading to burns or fire. In addition, the accessible wires have inadequate insulation, the flashing unit has sharp edges. The swinging socket enables a one-pole connection. As a result, the user could touch accessible live parts, which may cause an electric shock.
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product does not comply with the requirements of the Low Voltage Directive nor with the European standard EN 60598.

Notifying country	Sweden
Product category	Electrical appliances and equipment
Type	Consumer
Product	Headphones
Name	1st trådlösa hörlurar kompatibel med Bluetooth
Brand	Unknown
Product description	Headphones
Risk type	Chemical Environment
Risk description	The solders in the product have an excessive concentration of lead. (measured value: up to 80 % by weight). The plastic material of the product has an excessive concentration of bis(2-ethylhexyl) phthalate (DEHP) and dibutyl phthalate (DBP) (measured values: up to 0.92 % and 1.04 % by weight, respectively). The product has an excessive concentration of short chain chlorinated paraffins (SCCPs) (measured value: up to 2.37 % SCCP by weight). Lead poses a risk to the environment. The phthalates may harm the health of children, causing possible damage to their reproductive system. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bio-accumulate in wildlife and humans, posing a risk to human health and the environment. Prolonged exposure to them through the skin may cause cancer.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS 2 Directive) not with the Persistent Organic Pollutants (POP) Regulation.

Product description Lighting chain with transparent plastic stars containing 80 colourful, non-replaceable LEDs, a flashing unit, and a socket that allows expansion with additional members.

Risk type	Electric shock
Risk description	The cable is not properly anchored and is too thin. The accessible wires have inadequate insulation. The structure of the cord extension socket allows single-pole insertion of plugs. The product is not protected against moisture but is recommended for outdoor use. The cable could overheat, leading to burns or fire. The water could penetrate the product or the user could touch accessible live parts, which may cause an electric shock.
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product does not comply with the requirements of the Low Voltage Directive nor with the European standard EN 60598.
Country of origin	People's Republic of China
