Notifying country	The Netherlands
Product category	Other
Type	Consumer
Product	Telescopic ladder.
Name	Telescopische ladder Teleskopleiter Telescopic ladder Échelle Téléschopique
Packaging description	Sealed in plastic foil.
Brand	Mannsberger / Aqua Laser
Type / number of model	Telescopic ladder 3,2 m
Batch number	8713667088756
Product description	Telescopic aluminium ladder.
Risk type	Injuries
Risk description	Several steps may stack on the ladder, creating uneven distances between the steps. The user could make a misstep, lose balance and fall off the ladder and suffer injuries. Moreover, the unlocking mechanism does not prevent folding. If the hands are not positioned correctly, serious injuries can be caused as a result of entrapment or crushing. Finally, the ladder does not have sufficient mechanical strength and can

bend during use, possibly resulting in a fall of the user from a considerable height.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the General Product Safety Directive.

Notifying country	Germany
Product category	Motor vehicles
Type	Consumer
Product	Pickup truck
Name	Ranger
Brand	Ford
EC-type approval/model	2AB e5*2007/46*0080*10-*11
Production dates	21.7.2022 - 6.4.2023
Company recall code	23S58
Product description	Lorry
Risk type	Fire
Risk description	The nuts connecting the high-pressure lines between the fuel pump and the injector nozzles may not have been correctly tightened. Over time, they could become detached, leading to a fuel leak. Consequently, leaking diesel could come into contact with the exhaust manifold, the turbocharger, or the catalyst, thereby increasing the risk of fire.
Legal provisions (at EU)	The product does not comply with the Regulation on the

level) and European standards against which the product was tested and did not comply

approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles.

Product	Passenger car
Name	Arteon, Golf, Golf Variant, Passat
Brand	VW - Volkswagen
EC-type approval/model	CD, CDV, 3H, 3CC e1*2007/46*2014*, e1*2007/46*2180*, e1*2007/46*1725*, e1*2001/116*0468*
Production dates	13.05.2019 - 20.11.2023
Company recall code	47U4
Product description	Right-hand drive passenger car with direct shift gearbox and electronic brake force booster.
Risk type	Fire
Risk description	The thermal protection between the brake force booster and the emissions control device in front of the coupling support with the brake fluid reservoir may not have been correctly fitted. The coupling support could melt, leading to a leak of brake fluid, which could ignite if it comes into contact with hot components.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the Regulation on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles.

Product	Passenger car
Name	718 Boxster, 718 Cayman
Brand	Porsche
EC-type approval/model	982 e13*2007/46*1607*16-*17
Production dates	23.06.2023 - 19.10.2023
Company recall code	APB4
Product description	Passenger car
Risk type	Injuries
Risk description	The rear electronics control unit has been manually programmed with incorrect values, which could lead to a changed position of the rear spoiler and a change in aerodynamics at high speeds. This could impact the vehicle's driving stability, potentially resulting in greater downforce and additional load on the tyres, leading to tyre damage. Additionally, the top brake light may become less visible to following traffic, increasing the risk of an accident.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the Regulation on the approval and market surveillance of Motor Vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles.

Production dates	12.03.2018 - 26.05.2022
Company recall code	23SD-108
Product description	Passenger car equipped with a high-pressure fuel pump.
Risk type	Fire
Risk description	Insufficient press-in mounting of certain components of the high-pressure fuel pump could lead to increased pressure on the valves within the pump. This may cause the weld seams of the affected valve(s) to crack, which could lead to a fuel leak. In the presence of a source of ignition, a fuel leak could lead to an increased risk of fire.
Legal provisions (at EU)	The product does not comply with the Regulation on the

level) and European standards against which the product was tested and did not comply

approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles.

Product Disposable electronic cigarette

Packaging description Paper box, sealed in an opaque plastic bag.

Brand R&M® 10000 MASTER, 10000 PUFFS

Type / number of model MIXED BERRIES

Barcode 3018207741272

Product description Disposable electronic cigarette, 2% nicotine, volume 20 ml, 10000 puffs.

Risk type Chemical

Risk description The product contains an excessive amount of nicotine-containing liquid. This can lead to the accidental consumption of a high dose of nicotine. Nicotine is acutely toxic and can endanger the user's safety, notably if the product comes into contact with the skin or is ingested. Moreover, the product is insufficiently labelled, as the unit packaging does not include information on the amount of nicotine in the dose, or a complete list of ingredients.

The product does not comply with the requirements of the
