Product Finger-paint inkpad

Name lavable enfants enfants diy palm graffiti doigt peinture doodle tampon d'encre peint nouveau-né

Packaging description Product wrapped in heat-moulded packaging.

Brand Unknown

Type / number of model Couleur bleu

Product description Foam disc impregnated with blue paint, 18 cm diameter. Product sold online, in particular via Wish.

Risk type Chemical
Choking

Risk description The product has excessive concentrations of methylisothiazolinone (MI) and methylchloroisothiazolinone (MCI) (measured values: 2.7 mg/kg and 2.4 mg/kg, respectively). MI and MCI are strong sensitizers and can provoke allergic contact dermatitis to sensitized persons. Moreover, the foam of the ink pad tears easily, a small child may put the foam in the mouth and choke.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Toy Safety Directive nor with the European standard EN 71-9.

Product Disposable electronic cigarette

Name MARS 9000 KIWI PASSION FRUIT GUAVA

Packaging description Product sealed in a plastic bag inside a paper box with original description in English.

Brand Aroma King

Product description Disposable electronic cigarette, 18ml.

Risk type Chemical

Risk description The product contains an excessive amount of nicotine-containing liquid. This can lead to the accidental consumption

of a high dose of nicotine. Nicotine is acutely toxic and can endanger the user's safety, notably if the product comes into contact with the skin or is ingested.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not meet the requirements of the Tobacco Products Directive.

Notifying country	Germany
Product category	Motor vehicles
Type	Consumer
Product	Passenger car
Name	GLE
Brand	Mercedes-Benz
EC-type approval/model	H1GLE e1*2007/46*1885*12-*14
Production dates	9.02.2021 - 29.12.2021
Company recall code	5191001
Product description	Passenger car
Risk type	Environment Fire
Risk description	A bolt on the 12 Volt earthing cable under the driver's seat may become loose, leading to increased electrical contact resistance in that area. The strong electrical currents flowing through that point could cause a local increase in temperature, leading to fire. Moreover, the increase in contact resistance may also deactivate the ECO start/stop function, leading to increased exhaust emissions.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the Regulation on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles.

Product	Keyboard cleaner
Name	USB Dammsugare till skrivbord
Packaging description	Plastic bag.
Brand	Not specified
Type / number of model	ps-dms1 / FD-368
Batch number	Not specified
Product description	Black vacuum cleaner for keyboard with USB. Product sold online.
Risk type	Chemical Environment
Risk description	The solders in the product have an excessive concentration of lead (measured value up to 77.3 % by weight). The plastic material of the cable has excessive concentrations of bis(2-ethylhexyl) phthalate (DEHP) and short chain chlorinated paraffins (SCCPs) (measured values up to 8.23% and 3.45% by weight, respectively). Lead poses a risk to the environment. The phthalate DEHP poses a risk to human

health and the environment. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bio-accumulate in wildlife and humans, posing a risk to human health and the environment. Prolonged exposure to SCCPs through the skin may cause cancer.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS Directive) nor with the Persistent Organic Pollutants (POP) Regulation.
