Product Electric doorbell

Name Animerad dörrklocka

Brand Dollarstore

Type / number of model 67555

Barcode 7330878675554

Product description Electric doorbell for Halloween with light and scary sound.

Risk type Chemical  
Environment

Risk description The solders in the product have excessive concentrations of lead and cadmium (measured values: up to 80.3% and 0.25% by weight, respectively). Lead poses a risk to the environment. Cadmium bio-accumulates and poses a risk to the environment. The plastic cable in the product has excessive concentrations of bis(2-ethylhexyl) phthalate (DEHP), dibutyl phthalate (DBP) and short chain chlorinated paraffins (SCCPs) (measured values: up to 0.4%, 1.7% and 0.5% by weight, respectively). These phthalates pose a risk to human health and the environment. SCCPs persist in the

environment, are toxic to aquatic organisms at low concentrations and bio-accumulate in wildlife and humans, posing a risk to human health and the environment. Prolonged exposure to them through the skin may cause cancer.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS Directive), nor with the Persistent Organic Pollutants (POP) Regulation.

Environment

Risk description

The plastic cable has an excessive concentration of bis(2-ethylhexyl) phthalate (DEHP) (measured value up to 12 % by weight) and short chain chlorinated paraffins (SCCPs) (measured value up to 0.2 % by weight). DEHP may harm the health of children, causing possible damage to their reproductive system. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human

health and the environment.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the REACH Regulation nor with the Persistent Organic Pollutants (POP) Regulation.
