Product Neck massager

Name Neck Massager

Packaging description Cardboard box.

Brand Unknown

Product description Electrically powered neck massage machine made of plastic. Product sold online.

Risk type Chemical
Environment

Risk description The solders in the product have an excessive concentration of lead (measured value up to 69.6% by weight). The plastic material of the cable has excessive concentrations of bis(2-ethylhexyl) phthalate (DEHP), dibutyl phthalate (DBP) and short chain chlorinated paraffines (SCCPs) (measured values up to: 0.3%, 0.29% and 0.32% by weight, respectively). Lead poses a risk to the environment. These phthalates may harm the health by causing possible damage to the reproductive system. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bio-accumulate in wildlife and humans, posing a risk to human health and the environment. Prolonged exposure to them through the skin

may cause cancer.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS Directive) nor with the Persistent Organic Pollutants (POP) Regulation.

Name S-Class

Brand Mercedes-Benz

EC-type approval/model R2S
e1*2007/46*2115*10-*11

Production dates 17.11.2022 - 20.09.2023

Company recall code 4092226

Product description Passenger car

Risk type Injuries

Risk description The catch fixing the wheel hubcaps may not withstand the pressures encountered during driving. In such cases, the hubcaps could detach from the vehicle, increasing the risk of accident and injury to other road users.

Legal provisions (at EU level) and European standards against which the The product does not comply with the Regulation on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical

Notifying country The Netherlands

Product category Childcare articles and children's equipment

Type Consumer

Product Plastic playpen

Name Baby Play Fence

Packaging description Cardboard box.

Brand K IKIDO

Type / number of model K2402F

Barcode 8720387278589

Product description Plastic playpen with foldable blue and yellow panels. The product is sold online.

Risk type Injuries
Strangulation

Risk description The presence of holes in the panels may allow children to climb on the top of the fence and fall over the edge, leading to a risk of injury. Clothes or objects, especially those attached to cords, can be caught in protruding parts of the product, increasing the risk of strangulation.

Legal provisions (at EU) The product does not comply with the requirements of the

level) and European standards against which the product was tested and did not comply

General Product Safety Directive nor with the European standards EN 12227 and EN 1930.
