Environment

Risk description

The plastic material of the cable has an excessive concentration of bis(2-ethylhexyl) phthalate (DEHP) (measured value up to 6.72% by weight). The solders in the product have an excessive concentration of lead (measured value up to 62.9% by weight). The product has an excessive concentration of short chain chlorinated paraffins (SCCPs) (measured value up to 0.93 % by weight). DEHP poses a risk to human health and the environment. Lead poses a risk to the environment. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bio-

accumulate in wildlife and humans, posing a risk to human health and the environment. Prolonged exposure to them through the skin may cause cancer.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS Directive) nor with the Persistent Organic Pollutants (POP) Regulation.

Packaging description Cardboard box.

Brand Innovagoods

Type / number of model V0103300

Batch number 2301005

Barcode 8435527818418

Product description Rechargeable handheld vacuum cleaner. Product sold online.

Risk type Chemical
Environment

Risk description The plastic material of the cable has an excessive concentration of bis(2-ethylhexyl) phthalate (DEHP) and dibutyl phthalate (DBP) (measured value: 3.7% and 1.8% by weight, respectively). The solders in the product have an excessive concentration of lead (measured value up to 69% by weight). The product has an excessive concentration of

short chain chlorinated paraffins (SCCPs) (measured value up to 1.3 % by weight). These phthalates pose a risk to human health and the environment. Lead poses a risk to the environment. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bio-accumulate in wildlife and humans, posing a risk to human health and the environment. Prolonged exposure to them through the skin may cause cancer.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS 2 Directive) nor with the Persistent Organic Pollutants (POP) Regulation.
