

The Rapid Alert System for Non-Food Products (RAPEX)

RAPEX - Weekly overview report of notifications

week 46 - 2016

Alert number: A12/1483/16

Product: Children's tracksuit

Name: Unknown

Risk: Injuries, Strangulation

Category: Clothing, textiles and fashion items

Brand: CADIN

Type/number of model: V-79

Risk level: Serious risk

The drawstrings with free ends in the hood and in the trousers may become trapped during various activities of the child, leading to strangulation or injuries respectively. The product does not comply with the relevant European standard EN 14682.

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Description: Tracksuit for children up to 7 years, consisting of grey and green trousers and sweatshirt with hood and zip-fastener. The hood of the sweatshirt and the waistband of the trousers include unattached drawstrings with free ends.

Batch number/Barcode: Unknown

Country of origin: Unknown

Alert submitted by: Romania

Alert number: A12/1494/16

Product: Cushion cover

Name: Cuddle Retro

Risk: Chemical

Category: Clothing, textiles and fashion items

Brand: Affari

Type/number of model: Article number 080-260-00

Risk level: Serious risk

The textile material in the cushion cover contains azo dyes releasing the aromatic amine benzidine (measured concentration up to 92 mg/kg). When the product is in direct and prolonged contact with the skin, this aromatic amine may be absorbed by the skin. Aromatic amines can cause cancer, cell mutations and affect reproduction. The product does not comply with the REACH Regulation.

Measures taken by economic operators: Withdrawal of the product from the market (By: Importer)

Description: Red/cerise coloured, velvet cushion cover made of cotton.

Batch number/Barcode: Unknown

Country of origin: India

Alert submitted by: Sweden

Alert number: A12/1500/16

Product: Girls' top

Name: Unknown

Risk: Injuries

Category: Clothing, textiles and fashion items

Brand: La Loca

Type/number of model: Sizes: 104, 116, 122 cm.

Risk level: Serious risk

There are drawstrings at the back of the top which could become trapped during various activities of a child, causing injuries. The product does not comply with the relevant European standard EN 14682.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Grey, long-sleeved top for girls with drawstrings at the back. On the front of the top there is an image of an owl, decorated with sequins.

Batch number/Barcode: Unknown

Country of origin: Unknown

Alert submitted by: Poland

Alert number: A12/1489/16

Product: Door lock

Name: Selbstverriegelnd, Panik E - Mehrfachverriegelung ('Multiple self-locking system')

Risk: Health risk / other

Category: Construction products

Brand: Glutz

Type/number of model: 406220; MINT SV 18945.7.D65.LM88.VK9.ES 406221; MINT SV 18945.7.D80.LM88.VK9.ES

Risk level: Serious risk

The internal cylinder might be forced out of position, leading to the lock being blocked and thus escape routes may not be available in the event of damage/fire. The product does not comply with the requirements of the Construction Products Regulation and the relevant European standard EN 179.

Measures taken by economic operators: Recall of the product from end users (By: Importer)

Description: A multiple locking system which automatically locks and bars doors mechanically.

Batch number/Barcode: Unknown

Country of origin: Switzerland

Alert submitted by: Austria

Alert number: A12/1490/16

Product: Skin product

Name: Slim extreme 4D, Professional

Risk: Chemical

Category: Cosmetics

Brand: Eveline Cosmetics

Type/number of model: Unknown

Risk level: Serious risk

The peeling contains methylisothiazolinone (MI) and methylchloroisothiazolinone (MCI) (measured concentration 0.2024% by weight). Dermal contact with MCI/MI-containing products can provoke allergic contact dermatitis to sensitised persons. The product does not comply with the Cosmetic Products regulation.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Body peeling skin product in a 250ml white/blue plastic tube.

Batch number/Barcode: 5907609344205; Batch Nr. 150112

Country of origin: Poland

Alert submitted by: Latvia

Alert number: A12/1499/16

Product: Teeth whitening strips

Name: 3D White Whitestrips LUXE - Supreme FLEXFIT

Risk: Chemical

Category: Cosmetics

Brand: Crest

Type/number of model: Unknown

Risk level: Serious risk

The product contains hydrogen peroxide as a bleaching substance (measured concentration 3.06% by weight). Hydrogen peroxide at high concentrations causes skin irritation and is harmful if swallowed. The product does not comply with the Cosmetic Products Regulation.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Teeth whitening strips in dark blue aluminium packaging; 2 strips in each packaging. Unregistered import by third-party distributor. The manufacturer did not produce it for direct distribution to consumers in the EU.

Batch number/Barcode: (L)5285V444; Use before: August 2017

Country of origin: United States

Alert submitted by: Czech Republic

Alert number: A12/1474/16

Product: Power supply

Name: Power Bank

Risk: Burns, Fire

Category: Electrical appliances and equipment

Brand: House Accessories

Type/number of model: OW793-03X

Risk level: Serious risk

During use, the device can overheat which could lead to a fire. In addition, contact with the user's skin may cause burns. The product does not comply with the requirements of the Low Voltage Directive.

Measures taken by economic operators: Withdrawal of the product from the market (By: Importer)

Description: Power supply for charging mobile electronic devices. The shape of the device resembles a carton of milk. Description on the product: "Milk 100% Fresh". Sold in plastic transparent packaging with a cardboard insert.

Batch number/Barcode: Unknown

Country of origin: China

Alert submitted by: Poland

Alert number: A12/1479/16

Product: Charger

Name: USB 208 PSP

Risk: Electric shock, Fire

Category: Electrical appliances and equipment

Brand: GUSON

Type/number of model: FH-0983

Risk level: Serious risk

The electrical insulation between the primary and secondary circuits is insufficient. This could lead to the user receiving an electric shock or to a fire. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60950.

Measures taken by economic operators: Withdrawal of the product from the market (By: Distributor)

Description: Mains and cigarette-lighter chargers supplied with various cables. Blister packaging.

Batch number/Barcode: 5786818209839

Country of origin: China

Alert submitted by: France

Alert number: A12/1491/16

Product: Charger

Name: Unknown

Risk: Electric shock, Fire

Category: Electrical appliances and equipment

Brand: Appwy California / Flextronic

Type/number of model: AR:1000

Risk level: Serious risk

The electrical insulation is inadequate which may lead to the user receiving an electric shock.

There is no circuit protection device and the casing material is not sufficiently resistant to fire. In the event of a short circuit, this could lead to a fire. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60950.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: USB charger

Batch number/Barcode: 6978542100134

Country of origin: China

Alert submitted by: Poland

Alert number: A12/1496/16

Product: Inverter welder

Name: Welder

Risk: Electric shock

Category: Electrical appliances and equipment

Brand: Bester

Type/number of model: 150-ST, 155-ST, 170-ST, 170D-ST, 210-ST, 210D-ST

Risk level: Serious risk

The power supply cable may be attached improperly which could lead to accessible parts becoming live. The product does not comply with the requirements of the Low Voltage Directive.

Measures taken by economic operators: Recall of the product from end users (By: Distributor)

Description: Portable inverter welder packed in a cardboard box.

Batch number/Barcode: Products sold between 15.01.2016 and 18.10.2016 are affected. Bar codes : 5907709561038, 5907709561045, 5907709561052, 5907709561069, 5907709561076, 5907709561083

Country of origin: China

Alert submitted by: Poland

Products were found and measures were taken also in: France

Alert number: A12/1504/16

Product: Travel plug adaptor

Name: UNIVERSAL POWER PLUG ADAPTER WITH A USB PORT

Risk: Electric shock

Category: Electrical appliances and equipment

Brand: GTV

Type/number of model: AE-TA1USB-00

Risk level: Serious risk

Single-pole insertion of a plug is possible leaving the live part of the free remaining pin accessible. The contact pressure of the internal electrical connections is transmitted by thermoplastic which could deform compromising the electrical insulation. Devices which need to be earthed can be connected but there is no earth circuit continuity. The product does not comply with the Low Voltage Directive and the relevant standards EN 60950 and IEC 60884.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Travel plug adaptor, in three parts, with USB output. Packaging: cardboard box.

Batch number/Barcode: 5 901867 124524

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1484/16

Product: Floodlight

Name: LED FLOODLIGHT SMD SERIES

Risk: Electric shock

Category: Lighting equipment

Brand: V-TAC

Type/number of model: VT-4711 (SKU:5623)

Risk level: Serious risk

The product is not provided with the required information for mains connection. In case of incorrect connection, live parts may be accessible to the user. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: LED floodlight with free wire ends for mains connection. Intended for indoor and outdoor use. Packaging: cardboard box.

Batch number/Barcode: 3 800157 600552

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1486/16

Product: Floodlight

Name: LED FLOODLIGHT NEO CLASSIC SERIES

Risk: Electric shock

Category: Lighting equipment

Brand: V-TAC

Type/number of model: VT-4720 (SKU:5362)

Risk level: Serious risk

The product is not provided with the required information for mains connection. In case of incorrect connection, live parts may be accessible to the user. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: LED floodlight with free wire ends for mains connection. Intended for indoor and outdoor use. Packaging: cardboard box.

Batch number/Barcode: 3 800230 623850

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1475/16

Product: Car visor

Name: Viz Clear HD Car Visor

Risk: Injuries

Category: Motor vehicles

Brand: Unknown

Type/number of model: AR/EX1417/2015

Risk level: Serious risk

The plastic material from which the car visor is made is too rigid and unable to dissipate the energy. There are no safety warnings. In case of emergency braking or a road collision, the driver's head could come in contact with the car visor resulting in injury.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Car visor intended to be installed on original car visor. Packaging: cardboard box.

Batch number/Barcode: EAN: 0644812024795

Country of origin: China

Alert submitted by: Poland

Alert number: A12/1476/16

Product: Passenger car

Name: Citigo

Risk: Injuries

Category: Motor vehicles

Brand: Skoda

Type/number of model: Type: AA; EC type-approval: e13*2007/46*1169

Risk level: Serious risk

The front panel of the sun roof may become detached, on account of inadequate bonding, and may fall on to the road causing a hazard for following vehicles.

Measures taken by economic operators: Recall of the product from end users (By: Manufacturer)

Description: Passenger car

Batch number/Barcode: The vehicles affected were manufactured between 21 January and 19 February 2016.

Country of origin: Slovakia

Alert submitted by: Germany

Alert number: A12/1477/16

Product: Passenger car

Name: California, 458 Italia, 458 Spider, FF

Risk: Injuries

Category: Motor vehicles

Brand: Ferrari

Type/number of model: Type-approval number: e3*2001/116*0285*00-07, e3*2007/46*0040*00-11, e24*KS07/46*0025*00-07 Type: F149 CDEB/CDEL, F142 ABE/ADE, F151 ALE

Risk level: Serious risk

In the event of deployment of the front passenger airbag, a fault in the gas generator can cause uncontrolled inflation of the airbag.

Measures taken by economic operators: Recall of the product from end users (By: Manufacturer)

Description: Passenger car

Batch number/Barcode: Vehicles produced between May 2008 and December 2011 are affected.

Country of origin: Italy

Alert submitted by: Germany

Products were found and measures were taken also in: The Netherlands

Alert number: A12/1478/16

Product: Van

Name: Crafter

Risk: Injuries

Category: Motor vehicles

Brand: VW

Type/number of model: Type-approvals: e1*2007/46*0514*09 e1*2001/116*0356*18 e1*2007/46*0513*08 e1*2007/46*0522*09; Types: 2EKE2, 2EC2, 2EKE1, 2FJE2.

Risk level: Serious risk

The seat belt mountings for the rear row of seats in the passenger compartment may not have been fitted correctly.

Measures taken by economic operators: Recall of the product from end users (By: Manufacturer)

Description: Van

Batch number/Barcode: Vehicles manufactured between 10 and 23 March 2016 are affected

Country of origin: Germany

Alert submitted by: Germany

Products were found and measures were taken also in: Slovakia, The Netherlands

Alert number: A12/1480/16

Product: Motorcycle

Name: XDiavel

Risk: Injuries

Category: Motor vehicles

Brand: Ducati

Type/number of model: Type: GA EC type-approval: e49*168/2013*00009*

Risk level: Serious risk

1) The final drive pulley retaining nut could become loose. Possible wear on the pulley cogs which arises following intensive use could result in a loss of vehicle traction. 2) The lower fastening screw on the side stand plate could become loose. This could damage the side stand switch and cause the engine to stall, or the side stand plate could break, causing the parked motorcycle to fall over.

Measures taken by economic operators: Recall of the product from end users (By: Manufacturer)

Description: Motorcycle

Batch number/Barcode: Vehicles produced in 2016-2017 are affected.

Country of origin: Italy

Alert submitted by: Germany

Products were found and measures were taken also in: Croatia, Ireland

Alert number: A12/1482/16

Product: Van

Name: Trafic

Risk: Injuries

Category: Motor vehicles

Brand: Renault

Type/number of model: Trafic III; EC-type approval numbers: e2*98/14*0213 ext. 48 to 53, e2*2007/46*0104 ext. 09 to 10 and e2*2007/46*0104 ext. 21 to 27.

Risk level: Serious risk

A pipe in the exhaust gas re-circulation system could crack. Exhaust gases escaping as a result could damage surrounding components leading to loss of braking assistance or engine stalling when driving.

Measures taken by economic operators: Recall of the product from end users (By: Distributor)

Description: Van

Batch number/Barcode: Vehicles manufactured between December 2013 and September 2015 and in April 2016.

Country of origin: France

Alert submitted by: Portugal

Products were found and measures were taken also in: Ireland, Slovakia, Slovenia, Sweden, The Netherlands

Alert number: A12/1505/16

Product: Truck

Name: L200

Risk: Injuries

Category: Motor vehicles

Brand: Mitsubishi

Type/number of model: L200 (KA0T/KB0T)

Risk level: Serious risk

In the event that the driver's side airbag is deployed, the inflator casing may burst causing the driver to be injured by metal fragments.

Measures taken by economic operators: Recall of the product from end users (By: Distributor)

Description: Truck

Batch number/Barcode: Model years 2007-2015 destined on the European market.

Country of origin: Japan

Alert submitted by: Poland

Products were found and measures were taken also in: Germany, The Netherlands

Alert number: A12/1487/16

Product: Incense sticks

Name: 'CALL CLIENT' incense sticks

Risk: Chemical

Category: Other

Brand: HEM

Type/number of model: Unknown

Risk level: Serious risk

The product poses a chemical risk because the incense sticks release aromatic hydrocarbons such as benzene, toluene, xylene and styrene during and after combustion and the estimated emissions exceed the recommended safe concentration for indoor air. Benzene is carcinogenic and mutagenic. In addition, these aromatic hydrocarbons are toxic when inhaled or ingested and irritants to the eyes and skin. As the product is intended for use in closed environments, the release of benzene and toluene is considered harmful to health.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Rectangular cardboard packaging containing 6 hexagonal cardboard tubes. Inside each tube there is a white plastic bag containing 20 incense sticks, approx. 23 cm long, of which 18 cm is covered with a black solid matter (incense) which is highly perfumed.

Batch number/Barcode: 8901810014800

Country of origin: India

Alert submitted by: Italy

Alert number: A12/1488/16

Product: Incense sticks

Name: 'CANNABIS' incense sticks

Risk: Chemical

Category: Other

Batch number/Barcode: 8901810001794

Country of origin: India

Alert submitted by: Italy

Alert number: A12/1473/16

Product: Toy gun

Name: Absorbent bomb gun

Risk: Choking, Damage to hearing, Injuries

Category: Toys

Brand: DONG QI

Type/number of model: M:138, No 2336/140051

Risk level: Serious risk

The spherical projectiles pose a risk of injuries because they can be put into the mouth and may be swallowed by children. As they expand, this could cause fatal occlusion of the respiratory track or intestinal blockage. Also, the suction cup of the projectile easily detaches and could obstruct the airways, if put into the mouth, causing choking. The toy's sound pressure level is too high and could cause damage to hearing. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard En 71-1.

Measures taken by economic operators: Recall of the product from end users (By: Distributor)

Description: Plastic water gun (2 in 1) with spherical projectiles (containing polymer which have absorption characteristics) and foam projectiles with suction cups. Ages +6 years.

Batch number/Barcode: 8010014000516

Country of origin: China

Alert submitted by: Slovenia

Alert number: A12/1481/16

Product: Plastic toys

Name: Insects

Risk: Choking

Category: Toys

Brand: MARCO'S TOYS

Type/number of model: Ref. 1556, lot 7/15

Risk level: Serious risk

The wheels on the butterfly and ladybird easily detach, generating small parts which a small child may put in the mouth, causing choking. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Plastic toys in the shape of a red and black butterfly and a blue ladybird. The product is packaged in a sealed cardboard blister pack, with the cardboard bearing various images.

Batch number/Barcode: 8435399015564

Country of origin: China

Alert submitted by: Spain

Alert number: A12/1485/16

Product: Toy mobile phone

Name: Cartoon Music Mobile

Risk: Damage to hearing

Category: Toys

Brand: GOGORIKI

Type/number of model: DS625

Risk level: Serious risk

The sound pressure level is too high. If a child activates the toy very close to the ear it could cause temporary hearing loss. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Description: Toy mobile phone supplied in a cardboard box.

Batch number/Barcode: 6991209348427

Country of origin: China

Alert submitted by: Lithuania

Alert number: A12/1492/16

Product: Kitchen play set with doll

Name: Dreams Kitchen

Risk: Chemical

Category: Toys

Brand: LOBEALY

Type/number of model: Model 805-2, lot: HST/2016-2

Risk level: Serious risk

The plastic material of the doll contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 15.7% by weight) and di-butyl phthalate (DBP) (measured value: 0.18 % by weight). These phthalates may harm the health of children, causing possible damage to the reproductive system. According to the REACH Regulation, DEHP, DBP and BBP phthalates are prohibited in all toys and childcare articles.

Measures ordered by public authorities: Import rejected at border

Description: Kitchen play set and a doll, packaged in a cardboard box with a transparent window.

Batch number/Barcode: 8426292005349

Country of origin: China

Alert submitted by: Spain

Alert number: A12/1493/16

Product: Water pistols

Name: BAZOOKA ANIMALES

Risk: Chemical

Category: Toys

Brand: Universplash

Type/number of model: Reference w-04-05-06 (turtle, hippopotamus, crab and monkey).

Risk level: Serious risk

The toys contain di-(2-ethylhexyl) phthalate (DEHP) (measured value: >20% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system. According to the REACH Regulation, DEHP, DBP and BBP phthalates are prohibited in all toys and childcare articles.

Measures ordered by public authorities: Import rejected at border

Description: Water pistols made of foam in different colours, with plastic heads on top in the form of a turtle, hippopotamus, crab and monkey. A sticker is attached to the toy.

Batch number/Barcode: 8433345901169

Country of origin: China

Alert submitted by: Spain

Alert number: A12/1495/16

Product: Rattle

Name: Tiny Smarts, Spin Ball

Risk: Damage to hearing

Category: Toys

Brand: Tiny love

Type/number of model: T801/N

Risk level: Serious risk

The peak sound pressure level is too high. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Rattle for young children.

Batch number/Barcode: E000A-002707/E10007PK458 0B; 735259002580

Country of origin: China

Alert submitted by: Norway

Alert number: A12/1497/16

Product: Toy gun set

Name: Military Super Power

Risk: Choking

Category: Toys

Brand: Unknown

Type/number of model: Unknown

Risk level: Serious risk

The suction cup of the projectiles can easily detach. If put in the mouth, the suction cup could detach leaving the airways obstructed. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Description: Toy gun set comprised of a black and brown plastic gun, three black arrows with orange suction cups at the end, a cardboard target, a black plastic clock and a silver-coloured policeman's badge. The toy is packed in a plastic bag with a cardboard label.

Batch number/Barcode: 9675414073578

Country of origin: China

Alert submitted by: Lithuania

Alert number: A12/1498/16

Product: Toy car

Name: Truck

Risk: Choking

Category: Toys

Brand: Unknown

Type/number of model: 140414

Risk level: Serious risk

Small parts can easily detach from the toy (the stickers and wheels). A small child may put them in the mouth and choke. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Description: Toy excavator made of black and orange plastic, with two moving dippers and four wheels. The wheels' axles and fixing parts (screws) are made of metal. Colourful stickers ('Super' and 'Truck') are glued onto the toy and it is packed in plastic packaging.

Batch number/Barcode: 2014011404144

Country of origin: China

Alert submitted by: Lithuania

Alert number: A12/1501/16

Product: Soft toy

Name: Unknown

Risk: Choking

Category: Toys

Brand: Lelukulma

Type/number of model: Item no. DT160192 (on invoice) and TP-505807-708168 (on the labels)

Risk level: Serious risk

The product poses a risk of choking due to small parts (the nose) which can be easily detached. A small child could put them in the mouth and choke. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Import rejected at border

Description: Pink cat soft toy (approx. 20 cm long) with glittery multi-coloured eyes and collar. The cat has also a multi-coloured tail. A cardboard label is attached to the ear of the toy.

Batch number/Barcode: 6412163008955

Country of origin: China

Alert submitted by: Finland

Alert number: A12/1502/16

Product: Plastic robot

Name: Self loading Robot

Risk: Chemical

Category: Toys

Brand: Unknown

Type/number of model: NO.124/17D1869(5x240)

Risk level: Serious risk

The battery compartment is easily accessible and the button cells could be swallowed, causing damage to the child's gastrointestinal tract. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standards EN 62115.

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Description: Plastic toy robot consisting of many small parts. Inside the chest of the robot there are 2 button batteries. The product is packed in a plastic bag with cardboard label.

Batch number/Barcode: 8591869012089

THE PRODUCT MAY BE COUNTERFEIT

Country of origin: China

Alert submitted by: Czech Republic

Alert number: A12/1503/16

Product: Foam puzzle mat

Name: Puzzle Mat

Risk: Choking

Category: Toys

Brand: SUN TA TOYS

Type/number of model: Item No. 1106

Risk level: Serious risk

Small parts can easily be detached from the puzzle mat and put in the mouth by small children, causing them to choke. The product does not comply with the requirements of the Toy Safety Directive and with the relevant European standard EN 71-1.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Puzzle foam mat with attached paper label.
