Type **Consumer**

Product **Passenger car/ Light commercial vehicle**

Name **Proace City, Proace City Verso**

Brand **Toyota**

EC-type approval/model **e2*2007/46*0686*19**

Production dates **11.09.2023 - 22.01.2024**

Company recall code **C124-022**

Product description **Model Code: BPZ (Proace City), BKY (Proace City Verso). Model Year: 2023~2024.**

Risk type **Injuries**

Risk description **In some braking situations the Controller Area Network (CAN) system might send erroneously a CAN signal "invalid value" for vacuum pressure in booster. This deactivates the Hydraulic Brake compensation, causing a brake vacuum loss that can lead to reduced braking performance. This increases the risk of accidents and injuries.**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the Regulation on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles.
