Product Finger painting kit

Name NEWEST Funny Finger Painting Kit

Packaging description Plastic packaging and plastic box (tray).

Brand Unknown

Barcode 6975684280090

Product description Finger painting kit for kids with washable pads. Product sold online, in particular via Wish.

Risk type  
Chemical  
Choking  
Suffocation

Risk description The painting kit has small parts (the foam parts of the inkers) than can easily detach. Small children may put them in the mouth and choke. Moreover, the product has an excessive concentration of a mixture of the preservatives methylchloroisothiazolinone and methylisothiazolinone (MCI/MI) (measured values: 0.00008 % and 0.00011%). MCI and MI cause severe skin burns. Additionally, the plastic bag of the packaging is too thin. If a child plays with it, the plastic

can cover the mouth and nose, causing the child to suffocate.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Toy Safety Directive nor with the European standards EN 71-1 and EN 71-7.
