Product Bicycle

Name B212-R 26" MTB

Brand TRINK

Batch number SHS03680

Product description Mountain bicycle in black-red colour version with 17" frame with suspension front fork, mechanical disc brakes and 26" wheels. Product sold online.

Risk type Injuries

Risk description The efficiency of the brakes is too low, not allowing the bicycle to stop safely. That can lead to the loss of control over the bicycle, increasing the risk of accidents and injuries. Moreover, cracks can appear on the handlebars, the frame, the front fork, the saddle and the seat post of the bicycle. If happening during its use, this can cause a person to fall and increase the risk of accidents and injuries.

Product Ceiling lamp

Name LEON LED C

Packaging description Cardboard box.

Brand STRÜHM

Batch number 0321SWO

Barcode 5901477327803

Product description White ceiling lamp with a removable plastic cover of the light source. The product contains replaceable light sources.

Risk type	Electric shock
Risk description	When the protective cover of the lamp is removed, live parts are accessible. The user could receive an electric shock from live parts. Furthermore, the product lacks an earthing contact with a flexible part that would adequately ensure protection against accidental release of the connection. This can lead to a risk of electric shock.
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product does not comply with the requirements of the Low Voltage Directive nor with the European standards EN 60598-1, and EN 60598-2.

Product Digital multimeter

Name Digital multimeter

Packaging description Cardboard box.

Brand REBEL

Type / number of model MIE-RB-838

Barcode 5901890058100

Product description Black and yellow digital multimeter used to measure voltage and current in electrical circuits.

Risk type	Electric shock
Risk description	The metal part of the multimeter connector designed to create a conductive connection with the measuring cable is not sufficiently fixed in its position, which causes a zero value to appear on the display when measuring, for example, the mains voltage, which can cause an electric shock.
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product does not comply with the requirements of the Low Voltage Directive and the European standards EN 61010-1 and EN 61010-2-033.

Product Tattoo ink

Name Encre stérile - mélange pour le tatouage - Dynamic

Packaging description Plastic bottle with a black cap.

Brand Viking by Dynamic

Type / number of model Scarlett Red

Batch number SR-003-D1

Product description Red tattoo ink, 30 ml.

Risk type Chemical

Risk description The product has an excessive concentration of cobalt and arsenic (measured values up to 0.91 mg/kg and 0.99 mg/kg by weight, respectively). Cobalt is a skin and respiratory sensitiser and may cause cancer. Arsenic may cause cancer, may damage fertility or the unborn child, causes damage to organs through prolonged or repeated exposure. Moreover, the label of the product fails to inform of the presence of nickel and the preservatives methylisothiazolinone and

methylchloroisothiazolinone and benzisothiazolinone. Consumers are therefore not warned that they may have allergic reactions or suffer from skin sensitisation.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the REACH Regulation nor with the Regulation on the classification, labelling and packaging of substances and mixtures (CLP).
