Notifying country	Germany
Product category	Motor vehicles
Type	Professional
Product	Passenger van / Light commercial vehicle
Name	Sprinter
Brand	Mercedes-Benz
EC-type approval/model	e1*2007/46*0301*28 (906BB35) e1*2007/46*1760*11 (KL3A4)
Production dates	11.12.2023
Company recall code	VS3KONTAK (4694206)
Product description	Passenger van / Light commercial vehicle.
Risk type	Fire Injuries
Risk description	The electrical connector may not be properly insulated, leading moisture to enter into the steering assist system control unit. This could disrupt the transmission of signals in the control unit, resulting in the power-assisted steering being deactivated without warning. This could increase the risk of an accident. Moreover, the improper insulation could also cause a short circuit, creating a risk of fire.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the Regulation on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles.
