

Alert number A12/02793/24

Notifying country	France
Product category	Toys
Type	Consumer
Product	Plastic toy
Name	Electric Plush Toy Elephant
Packaging description	Cardboard packaging.
Brand	Ximi-V
Type / number of model	777-9
Batch number	2204180026
Barcode	6936706410970
Product description	Solid battery-operated plastic elephant covered in grey soft fabric. The elephant moves and trumpets.
Risk type	Burns Chemical Strangulation
Risk description	The brown textile lead has a slipknot. Children can easily wrap it around their necks and strangle themselves. Additionally, the batteries can overheat and cause burns if the toy is blocked. Moreover, the batteries are easily accessible. A

chemical hazard could arise if they were to be damaged and placed in the mouth.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Name TEM+

Brand Haldex

Production dates 01.03.2023 - 31.12.2024

Company recall code 161_TEM

Product description Vehicle part: park-and-shunt valve.

Risk type Injuries

Risk description A production defect can cause the park-and-shunt valve with emergency braking function to release the trailer's brakes by itself. This can lead to a loss of control over the trailer and increase the risk of accidents and injuries.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product does not comply with the Regulation on the approval and market surveillance of motor vehicles and their trailers, and of systems, components and separate technical units intended for such vehicles.

Product Lighting chain

Name 180 LED Decorative Lights

Packaging description Colourful cardboard box.

Brand Unknown

Type / number of model NO18-180M135

Barcode 9798105579132

Product description Lighting chain with 180 purple, non-replaceable LEDs and a flashing unit.

Risk type Electric shock

Risk description The cable is not properly anchored (missing cable strain relief). The accessible wires have inadequate insulation. The product is not protected against moisture but is recommended for outdoor use. The water could penetrate the product or the user could touch accessible live parts and receive an electric shock.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Low Voltage Directive nor with the European standard EN 60598.

Notifying country	Hungary
Product category	Lighting chains
Type	Consumer
Product	Lighting chain
Name	100 LED LIGHT
Packaging description	Transparent plastic box.
Brand	Unknown
Type / number of model	6N100M85
Product description	Lighting chain with 100 white, non-replaceable LEDs, a flashing unit and a socket that allows expansions with additional members.
Risk type	Electric shock
Risk description	The cable is not properly anchored. The product has inadequate insulation. The structure of the cord extension socket allows single-pole insertion of plugs. The dimensions of the connection plug and socket do not comply with the specifications. Consequently, the user could touch accessible live parts and receive an electric shock.
Legal provisions (at EU)	The product does not comply with the requirements of the Low Voltage Directive nor with the European standard EN

level) and European standards against which the product was tested and did not comply	60598.

Product Disposable electronic cigarette

Name Disposable electronic cigarette Grin bar, 25000 PUFFS, 20 ML ELIQUID

Packaging description Sealed plastic package, placed in a cardboard box.

Brand Grin bar

Type / number of model BLUEBERRY CHERRY CRANBERRY
WATERMELON BRAZZ ICE

Barcode 0794677714000
0794677714116

Product description Disposable electronic cigarette, with a nicotine concentration of 20 mg / ml and a capacity of 25000 puffs.

Risk type Chemical

Risk description The product has an excessive amount of nicotine-containing liquid (declared volume: 20 ml). This could lead to the accidental consumption of a high dose of nicotine. Nicotine is acutely toxic and can endanger the user's safety, notably if the product comes into contact with the skin or is ingested.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Tobacco Products Directive.

Product category Toys

Type Consumer

Product Soft toy

Name Plush toy

Packaging description No packaging

Brand Unknown

Type / number of model Stitch

Batch number HH1805

Barcode 0042000018050

Product description The product is approximately 26 cm in size, with a fixed cord to which a colourless, transparent suction cup is attached.

Risk type Choking

Risk description Small parts (suction cup) can easily detach from the toy. A small child may put it in the mouth and choke. Moreover, the stuffing material of the toy is easily accessible due to the weakness of the seams of the toy. A small child may put the filling material in the mouth and choke.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Toy Safety Directive, nor with European standard EN 71-1.
