

The Rapid Alert System for Non-Food Products (RAPEX)

RAPEX - Weekly overview report of notifications

week 50 - 2016

Alert number: A12/1662/16

Product: Safety gate for children

Name: Schwenk-Türschutzgitter (Swinging safety gate for doors)

Risk: Choking, Strangulation

Category: Childcare articles and children's equipment

Brand: GEUTHER

Type/number of model: Art. n° 273; 68-109 cm, nature

Risk level: Serious risk

The gaps between the bars of the safety gate are too large: A crawling child may get its body through the bars, leaving the head blocked. When struggling to get free, it could lead to respiratory difficulties or strangulation. There are protruding corners (the grey piece of the locking device and in the middle of the safety barrier) where the garments of a child could get caught, causing strangulation. The sticker label on the safety gate detaches easily and may be put it in the mouth by a small child, causing it to choke. The product does not comply with the relevant European standard EN 1930.

Measures taken by economic operators: Withdrawal of the product from the market (By: Manufacturer) **Measures ordered by public authorities:** Ban on the marketing of the product and any accompanying measures, Recall of the product from end users, Warning consumers of the risks

Description: Door gate made of wood to be fixed with screws. Manual locking system. Height: 83 cm. Adjustable width from 68 to 109 cm. Sold in a cardboard box. Only the batch mentioned above is affected but the number is only visible on the plastic bag containing the installation accessories. If unable to identify the batch number, consumers may return their barrier out of precaution.

Batch number/Barcode: Batch: K-NR 1-1381-121500

Country of origin: Germany

Alert submitted by: Luxembourg

Alert number: A12/1671/16

Product: Playpen

Name: OGRADICA VIKI ('Playpen viki')

Risk: Choking, Entrapment, Injuries

Category: Childcare articles and children's equipment

Brand: Babyland

Type/number of model: art. 1022

Risk level: Serious risk

The playpen is not sufficiently high and a child can climb over it and fall, causing injuries. The rim of the playpen is not resistant to biting. Small pieces can be bitten or torn from the foam filling and swallowed, causing a child to choke. In addition, there are gaps at the outer side of the playpen. When playing next to it, a child could introduce its head into the whole and get trapped, leading to suffocation. The product does not comply with the relevant European standard EN 12227.

Measures taken by economic operators: Withdrawal of the product from the market (By: Importer)

Description: White and blue foldable playpen with net. Dimensions (cm): 120x82x75.

Batch number/Barcode: 3853920010225

Country of origin: Serbia

Alert submitted by: Croatia

Alert number: A12/1672/16

Product: Playpen

Name: OGRADICA MAJA ('Playpen May')

Risk: Choking, Entrapment, Injuries

Category: Childcare articles and children's equipment

Brand: Babyland

Type/number of model: 1021

Risk level: Serious risk

The playpen is not sufficiently high and stable: a child can climb over it and fall, or the playpen can overturn, causing injuries. The rim of the playpen is not resistant to biting or tearing. Small pieces can be bitten or detached from the foam filling and be swallowed, obstructing the airways and blocking the oxygen flow. In addition, there are openings at the outer side of the playpen. When playing next to it, a child could introduce its head into the whole and get trapped, leading to suffocation. The product does not comply with the relevant European standard EN 12227.

Measures taken by economic operators: Withdrawal of the product from the market (By: Importer)

Description: Yellow and white foldable playpen with net. Dimension (cm): 106x70x74

Batch number/Barcode: 3953920010218

Country of origin: Serbia

Alert submitted by: Croatia

Alert number: A12/1655/16

Product: Girls' slippers

Name: Unknown

Risk: Choking

Category: Clothing, textiles and fashion items

Brand: Giolan

Type/number of model: model: 81910-2

Risk level: Serious risk

The small decorative elements (beads) can easily detach. A small child may put them in the mouth and choke.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: White and silver slippers for young girls. The slippers are decorated with flower-shaped beads and with flowers with beads in the middle. Packaging: cardboard box. Size: 22

Batch number/Barcode: Unknown

Country of origin: China

Alert submitted by: Hungary

ART. NO	COLOR	SIZE
81910-2	WHITE/SILVER	22

Alert number: A12/1656/16

Product: Babies' shoes

Name: RUGAN 3 ÇİÇEK

Risk: Choking

Category: Clothing, textiles and fashion items

Brand: Family baby

Type/number of model: Kod: 2022

Risk level: Serious risk

The small decorative elements (beads and flowers) can easily detach. A small child may put them in the mouth and choke.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Red and white or pink and white shoes with velcro for baby girls. The shoes are decorated with glued flowers with sewn beads in the middle. Packaging: plastic box. Size: 19

Batch number/Barcode: 8 932029 378322

Country of origin: Turkey

Alert submitted by: Hungary

Alert number: A12/1666/16

Product: Insoles

Name: Einlegesohlen 37/38

Risk: Chemical

Category: Clothing, textiles and fashion items

Brand: Unknown

Type/number of model: Art No of the German distributor 0030460001

Risk level: Serious risk

The amount of Chromium (VI) in the leather is too high (measured value: 23.4 mg/kg). Chromium (VI) is sensitising and may trigger allergic reactions. The product does not comply with the REACH regulation.

Measures taken by economic operators: Withdrawal of the product from the market (By: Distributor)**Measures ordered by public authorities:** Ban on the marketing of the product and any accompanying measures

Description: Insoles made of leather and black latex foam with the addition of activated carbon, packed in partly blue-highlighted, transparent plastic packaging with 'Echtes Leder' ('genuine leather') written on it. Sample size 37/38.

Batch number/Barcode: 5907746250810

Country of origin: Italy

Alert submitted by: Germany

Alert number: A12/1643/16

Product: Smoke detector

Name: AKUSTICKÉ ČIDLO DYMU/AKUSTICKÉ ČIDLO KOURE

Risk: Fire

Category: Construction products

Brand: ecolite

Type/number of model: XLX108A

Risk level: Serious risk

The smoke detector does not have sufficient sensitivity and can fail to generate an alarm signal. The product does not comply with the relevant European standard EN 14604.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: A smoke detector made of a white plastic material (the housing has a circular shape), powered by a 9V battery. Technical parameters: 9V/85dB/10µA. The product is supplied in a cardboard box.

Batch number/Barcode: 8590849495966

Country of origin: China

Alert submitted by: Slovakia

Alert number: A12/1683/16

Product: Carbon monoxide detector

Name: Detector monoxid de carbon / Szénmonoxid érzékelő

Risk: Asphyxiation

Category: Construction products

Brand: CO-TECHNIK

Type/number of model: FXCD010

Risk level: Serious risk

The product is not sufficiently sensitive with respect to the detection of carbon monoxide. The product does not comply with the relevant European standard EN 50291-1.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Carbon-monoxide detector (B type) with LCD display and a circular white plastic cover (diameter: 125 mm; height: 36 mm). Supplied with a 9V battery "GP". Packaging: blister.

Batch number/Barcode: 5 948849 010970

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1654/16

Product: Water-absorbing beads

Name: HIDROZSELÉ / HIDROGEL ('Hydro-gel')

Risk: Injuries

Category: Decorative articles

Brand: D&D

Type/number of model: DD16158

Risk level: Serious risk

Due to its characteristic form, colour and size, the products may be mistaken for foodstuff (sweets). This may lead children to put them in the mouth, suck or ingest them. The balls expand when soaked and if the balls are ingested by a child they could cause fatal occlusion of the digestive system. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Expanding decorative beads (transparent). Diameter: 4 mm. Product packaging: cellophane bag.

Batch number/Barcode: 5996488161584

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1679/16

Product: Water-absorbing beads

Name: WATER CRYSTAL

Risk: Injuries

Category: Decorative articles

Brand: Huancai

Type/number of model: XIAOYINGXIONG

Risk level: Serious risk

Due to its characteristic form, colour and size, the products may be mistaken for foodstuff (sweets). This may lead children to put them in the mouth, suck or ingest them. The balls expand when soaked and if the balls are ingested by a child they could cause fatal occlusion of the digestive system. The product does not comply with the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Expanding red beads for decorative purpose. Diameter: 4 mm. Product packaging: blue cellophane bag.

Batch number/Barcode: 6942532966666

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1660/16

Product: Miniature circuit breaker

Name: Unknown

Risk: Electric shock, Fire

Category: Electrical appliances and equipment

Brand: Terasaki

Type/number of model: TD3 M06

Risk level: Serious risk

A non-conformity of raw material could cause product failure and lead to an electric shock or fire. The product does not comply with the requirements of the Low Voltage Directive.

Measures taken by economic operators: Withdrawal of the product from the market (By: Manufacturer)

Description: Circuit breaker for the protection against overloads and short circuits, switching and isolation in commercial and industrial electrical distribution systems.

Batch number/Barcode: 4547560100642

Country of origin: France

Alert submitted by: United Kingdom

Alert number: A12/1645/16

Product: Self-balancing scooter

Name: Smart Balance Wheel

Risk: Electric shock, Fire

Category: Hobby/sports equipment

Brand: Unknown

Type/number of model: Scooter EBS-1510-Red. Battery charger WK-B4202000

Risk level: Serious risk

The battery charger supply unit supplied with the self-balancing scooter poses a risk of electric shock because the insulation is not sufficient and the clearance/creepage distances between the primary and secondary circuits are not sufficient. Moreover, the battery connector inside the scooter can overheat, causing a fire. The product does not comply with the requirements of the Machinery Directive and the Low Voltage Directive and the relevant European standard EN 60335.

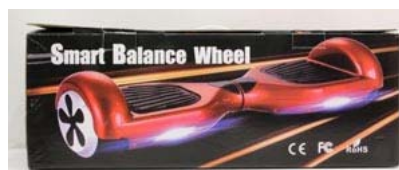

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures, Withdrawal of the product from the market

Description: Red self-balancing 2 wheel scooter ("Hoverboard"). Packaged in a cardboard box.

Batch number/Barcode: 4897020577041

Country of origin: China

Alert submitted by: Finland

Alert number: A12/1647/16

Product: Laser pointer

Name: BARRETT 50

Risk: Damage to sight

Category: Laser pointers

Brand: LIHA

Type/number of model: YT908

Risk level: Serious risk

The product is not correctly labelled. Direct viewing of the laser beam could cause damage to sight. The product does not comply with the relevant European standard EN 60825-1 with respect to labelling.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Laser pointer in the form of a bullet with a key ring.

Batch number/Barcode: Unknown

Country of origin: Unknown

Alert submitted by: Bulgaria

Alert number: A12/1680/16

Product: Novelty lighter

Name: LIGHTER

Risk: Fire

Category: Lighters

Brand: RMÉA MYRTIN

Type/number of model: X-O

Risk level: Serious risk

The lighter is appealing to children. Children may play with it and cause a fire. The product does not comply with the Commission Decision 2006/502 EC prohibiting the placing on the market of novelty lighters and with the relevant European standard EN 13869.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Lighter in the shape of a wine bottle.

Batch number/Barcode: Unknown

Country of origin: Unknown

Alert submitted by: Hungary

Alert number: A12/1650/16

Product: Lighting chain

Name: 1) 144L RICE LIGHTS; 2) 324L RICE LIGHTS

Risk: Electric shock, Fire

Category: Lighting chains

Brand: Unknown

Type/number of model: 144 L rizs fény , 324 L rizs fény

Risk level: Serious risk

The cross-sectional area of the external and internal wires is too small and they can overheat. The wire ends are not adequately protected against pulling and twisting. The accessible wires have only basic insulation and are in contact with sharp edges. The insulation provided by the shrink tubing for the lamps is inadequate. The product is recommended for outdoor use but is not protected against moisture. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

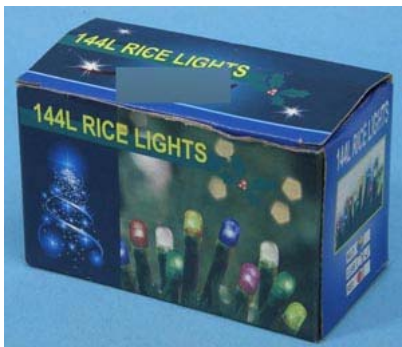

Measures taken by economic operators: Destruction of the product (By: Importer)**Measures ordered by public authorities:** Withdrawal of the product from the market

Description: Lighting chain with 144 or 324 miniature lamps. Packaging: colorful cardboard box.

Batch number/Barcode: Unknown

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1651/16

Product: Lighting chain

Name: 180 RICE LIGHT

Risk: Electric shock, Fire

Category: Lighting chains

Brand: Unknown

Type/number of model: Unknown

Risk level: Serious risk

The cross-sectional area of the external and internal wires is too small and they can overheat. The wire ends are not adequately protected against pulling and twisting. The accessible wires have only basic insulation and are in contact with sharp edges. The insulation provided by the shrink tubing for the lamps is inadequate. The product is recommended for outdoor use but is not protected against moisture. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Measures taken by economic operators: Destruction of the product (By: Importer)**Measures ordered by public authorities:** Withdrawal of the product from the market

Description: Lighting chain with 180 miniature lamps. Packaging: colourful cardboard box.

Batch number/Barcode: 9 795104 579132

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1653/16

Product: Lighting chain

Name: 1) 180 LED LIGHT; 2) 240 LED LIGHT

Risk: Electric shock, Fire

Category: Lighting chains

Brand: Unknown

Type/number of model: L180, L240

Risk level: Serious risk

The cross-sectional area of the wires is too small and the wires could overheat. The wire ends soldered to the terminals of the control unit and the LEDs are not adequately protected against pulling and twisting. Live parts can be touched when connecting the mains lead since the dimensions of the flat plug are not suitable. The accessible wires can come into contact with sharp edges of the control unit and could be damaged. The cover of the control unit can detach easily leaving live parts accessible. The product is not protected against moisture yet is recommended for outdoor use. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Measures taken by economic operators: Destruction of the product (By: Importer)**Measures ordered by public authorities:** Withdrawal of the product from the market

Description: Lighting chain with 180 or 240 miniature lamps. Packaging: colourful cardboard box.

Batch number/Barcode: 1) 9 795104 579187; 2) 9 795104 579194

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1673/16
Product: LED ball Light
Name: 100 LED BALL LIGHT
Risk: Electric shock, Fire
Category: Lighting equipment
Brand: Unknown
Type/number of model: 6126 / 1000041
Risk level: Serious risk

The cross-sectional area of the external and internal wires is too small and the wires could overheat. The dimensions of the plug are substantially less than required. The wire ends soldered to the terminals of the rectifier unit and the LEDs are not adequately protected against pulling and twisting. The accessible basic insulated wires can come into contact with sharp edges of the rectifier unit. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Light in the shape of a ball of flowers, with 100 LEDs (50 red/green and 50 red/blue). Packaging: colourful cardboard box.

Batch number/Barcode: 8 029410 000419; 926870 553023

Country of origin: China

Alert submitted by: Hungary

Product: Motorcycle
Name: WR250R/X
Risk: Injuries
Category: Motor vehicles
Brand: Yamaha
Type/number of model: Type: DG20; EC type-approval: e13*2002/24*0219
Risk level: Serious risk
The oil seal on the clutch pressure lever may break, resulting in loss of oil. There is a risk that escaping oil may get onto the rear tyre and that the driver may lose control of the motorcycle.
Measures taken by economic operators: Recall of the product from end users (By: Manufacturer)
Description: Motorcycle
Batch number/Barcode: Motorcycles built between 2014 and 2016 are affected.
Country of origin: Japan
Alert submitted by: Germany
Products were found and measures were taken also in: Poland, Sweden

Alert number: A12/1652/16

Product: Three-wheel motorcycle

Name: Slingshot

Risk: Fire, Injuries

Category: Motor vehicles

Brand: Polaris

Type/number of model: Model Years 2016 and 2017

Risk level: Serious risk

1. The brake light switch may have been over-tightened during production. This could result in a loss of brake fluid and subsequent reduction in braking performance. 2. There may be insufficient clearance between the fuel pipe and the bonnet. This could result in the abrasion of the fuel pipe, leading to a risk of fire. 3. The suspension swinging arm may not have the required strength and could consequently fail, affecting the directional control of the machine.

Measures taken by economic operators: Recall of the product from end users (By: Manufacturer)

Description: Three-wheel motorcycle

Batch number/Barcode: Specific vehicles built between 22/04/2014 and 26/09/2016

Country of origin: United States

Alert submitted by: United Kingdom

Alert number: A12/1648/16
Product: Plastic doll
Name: Fashion Girl
Risk: Chemical
Category: Toys
Brand: ABABABY / FAD
Type/number of model: NO. 0102
Risk level: Serious risk

The head of the doll contains di (2-ethylhexyl) phthalate (DEHP) (measured value 30% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system. According to the REACH Regulation, the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Blond haired plastic doll in a cardboard box with transparent window.

Batch number/Barcode: Unknown

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1657/16
Product: Solar plastic flower
Name: Flower
Risk: Injuries
Category: Toys
Brand: King Toy's
Type/number of model: SU-32-LR
Risk level: Serious risk

The product can break easily, releasing a small magnet with a high magnetic flux. If a child swallows the small magnet and other metal objects, they could attract each other, causing intestinal blockage or perforation. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Plastic flower in flowerpot operated with solar power and containing a magnet. Blister packaging.

Batch number/Barcode: Unknown

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1658/16

Product: Magnetic toy

Name: Magnetic Connectors

Risk: Injuries

Category: Toys

Brand: ANJANTO TOYS

Type/number of model: Item No. 276 (on the packaging) Item No.: 263451 (on a label)

Risk level: Serious risk

The magnets have a high magnetic flux and if two or more are swallowed, they could attract one another causing intestinal perforation or blockage. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Magnetic construction toy consisting of 120 pieces. Packaging: cardboard box with transparent window.

Batch number/Barcode: 263451000018

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1659/16

Product: Plastic doll

Name: Lovely Music Lighting

Risk: Chemical

Category: Toys

Brand: Unknown

Type/number of model: Model NO.LY-2301; Item NO. NO.LY-2301

Risk level: Serious risk

The head of the doll contains di (2-ethylhexyl) phthalate (DEHP) (measured value 30% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system. According to the REACH Regulation, DEHP, DBP and BBP phthalates are prohibited in all toys and childcare articles.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Plastic doll with butterfly wings in a cardboard box with a transparent window. The product emits music and coloured lights by pressing the chest of the doll.
