Serious risk	Consumer	30/03/2024	Germany	People's Republic of China	Unknown	Entanglement, injuries, strangulation	The product does not comply with the requirements of the General Product Safety Directive nor with the European standard EN 54882.	Children's high chair	Foldable, plastic high chair with safety harness, tray with cup holder and a footrest. Measurements: 70 x 58 x 100 cm. Product sold online, in particular via Amazon (ASIN: B08TTPV9V9).	Stuggy	Childcare articles and children's equipment	096101	7500000 - Household / Office furniture / Furnishings	The product has only a quick restraint on the belt, not between the seat and the bar. Consequently, if the belt is not used, the child might slip through the opening between the bar and the seat and fall, resulting in injuries, or become trapped with the chest, head or neck between the tray and the seat, resulting in strangulation or entanglement. In addition, the high chair is not sufficiently stable and may tip over while the child is seated.
