The Rapid Alert System for Non-Food Products (RAPEX)

RAPEX - Weekly overview report of notifications

week 51 - 2016

Notification A12/0502/16, in Report-2016-017, has been downgraded to art 11 due to new assessment of the applicable standard and risk (A11/0130/16). Notification A12/1677/16 has been withdrawn from Report-2016-050 following request of the notifying national authority. The production dates in notifications A12/1571/16 and A12/1572/16, in Report-2016-048, have been updated following new information on the extension of the recall.

Alert number: A12/1716/16

Product: Safety gate for children

Name: Danamic

Risk type: Choking

Category: Childcare articles and children's equipment

Brand: Baby Dan

Type / number of model: Article number : 51314-5490-01

Risk level: Serious risk

The button of the locking device detaches easily which may cause small children to choke if they put it in the mouth.

The product does not comply with the European Standard EN 1930.

Measures ordered by public authorities: Withdrawal of the product from the market

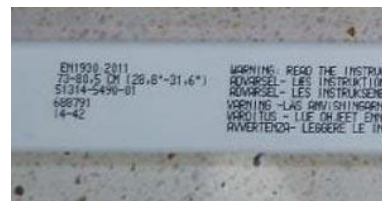

Description: Pressure-mounted safety gate, sold in a cardboard packaging. Size: 73-80.5cm / 28.8"-31.6".

Batch number / Barcode: 570548027933, Batch number 14-42 (production year 2014, week 42)

Country of origin: Denmark

Alert submitted by: Bulgaria

Products were found and measures were taken also in: Iceland

Alert number: A12/1717/16

Product: Safety gate for children

Name: Premier

Risk type: Injuries

Category: Childcare articles and children's equipment

Brand: Baby Dan

Type / number of model: Article number : 60116-5690-09 Type : True Pressure fit black

Risk level: Serious risk

The gate of the safety barrier is inadequate and can be opened too easily; a child could fall down the stairs, causing injuries.

The product does not comply with the relevant European Standard EN 1930.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Pressure-mounted safety gate for children sold in cardboard packaging. Size 73.5-79.6cm/ 29"-31.3".

Batch number / Barcode: 5705548027452, Batch number 1506 (production year 2015, week 06)

Country of origin: Denmark

Alert submitted by: Bulgaria

Products were found and measures were taken also in: Estonia, Germany

Alert number: A12/1718/16
Product: Safety gate for children
Name: Angle Mount Safeway
Risk type: Strangulation
Category: Childcare articles and children's equipment
Brand: KidCo

Type / number of model: G4200

Risk level: Serious risk

The gaps between the safety gate and the wall or the door frame are too large and a crawling child could try to pass his legs or torso between the bars, leaving the head blocked, which could lead to respiratory difficulties and even strangulation.

The product does not comply with the relevant European standard EN 1930.

Measures ordered by public authorities: Recall of the product from end users

Description: White metal safety gate packed in a cardboard box.

Batch number / Barcode: 78644102100; 0115

Country of origin: China

Alert submitted by: The Netherlands

Alert number: A12/1743/16

Product: Baby carrier

Name: Baby carrier - Globetrotter

Risk type: Injuries

Category: Childcare articles and children's equipment

Brand: Womar

Type / number of model: N7 Zaffiro

Risk level: Serious risk

The straps connecting the carrier to the torso of the user can easily become loose, with the risk of the child falling out of the carrier.

The product does not comply with the relevant European standard EN 13209.

Measures taken by economic operators: Withdrawal of the product from the market (By: Manufacturer)

Description: Baby carrier packed in plastic bag, with information about the product and a manual. Products affected were produced between 2015 and 2016

Batch number / Barcode: 5902745020075

Country of origin: Poland

Alert submitted by: Poland

Products were found and measures were taken also in: Latvia, Slovakia

Alert number: A12/1748/16
Product: Baby carrier
Name: Baby carrier - Spring
Risk type: Injuries
Category: Childcare articles and children's equipment

Brand: Womar

Type / number of model: N13 Zaffiro

Risk level: Serious risk

The straps connecting the carrier to the torso of the user can easily become loose and the locking clasp at the upper part can break, with the risk of the child falling out of the carrier.

The product does not comply with the relevant European standard EN 13209.

Measures taken by economic operators: Withdrawal of the product from the market (By: Manufacturer)

Description: Baby carrier packed in a cardboard box. Products affected were produced between 2015 and 2016.

Batch number / Barcode: 5902745020419

Country of origin: Poland

Alert submitted by: Poland

Alert number: A12/1753/16

Product: Safety gate for children

Name: Child safety gate

Risk type: Injuries, Strangulation

Category: Childcare articles and children's equipment

Brand: A-Safety

Type / number of model: APS 25 – 735 – 900 mm; product number AA32112-A; and AA32342-A

Risk level: Serious risk

The gaps between the bars are too large. A crawling child could try to pass his legs or torso between the bars, leaving the head blocked, which could cause respiratory difficulties or strangulation.

In addition, the safety gate is not sufficiently high: a child can climb over it and fall.

The product does not comply with the relevant European standard EN 1930.

Measures ordered by public authorities: Recall of the product from end users

Description: Metal safety gate supplied in a cardboard packaging.

Batch number / Barcode: 7392719323420; W1544

Country of origin: Sweden

Alert submitted by: The Netherlands

Products were found and measures were taken also in: Sweden

Alert number: A12/1754/16

Product: Safety gate for children

Name: Traphekje/child safety gate

Risk type: Injuries, Strangulation

Category: Childcare articles and children's equipment

Brand: A-Safety/ JIPPIE'S

Type / number of model: APS 25 1100-1500 mm; productnummer AA3211-142

Risk level: Serious risk

The gaps between the bars are too large. A crawling child could try to pass his legs or torso between the bars, leaving the head blocked, which could cause respiratory difficulties or strangulation.

In addition, the safety gate is not sufficiently high: a child can climb over it and fall.

The product does not comply with the relevant European standard EN 1930.

Measures ordered by public authorities: Recall of the product from end users

Description: Metal safety gate.

Batch number / Barcode: 7392719321426; W1604

Country of origin: Sweden

Alert submitted by: The Netherlands

Products were found and measures were taken also in: Sweden

Alert number: A12/1757/16

Product: Safety gate for children

Name: Prénatal traphek hout ('Wooden stairgate')

Risk type: Injuries, Strangulation

Category: Childcare articles and children's equipment

Brand: Prénatal

Type / number of model: Minerva 71-102 cm; typenummer: 2-201500705

Risk level: Serious risk

The gaps between the bars are too large. A crawling child could try to pass his legs or torso between the bars, leaving the head blocked, which could cause respiratory difficulties or strangulation.

In addition, the safety gate has protruding corners where the garments of a child could get caught, causing strangulation and it is not sufficiently high: a child can climb over it and fall.

The product does not comply with the relevant European standard EN 1930.

Batch number / Barcode: 4607042070037

Country of origin: Russian Federation

Alert submitted by: Estonia

Alert number: A12/1689/16

Product: Travel plug adaptor

Name: TRAVEL POWER ADAPTOR + TRAVEL SCALE

Risk type: Electric shock

Category: Electrical appliances and equipment

Brand: Omega

Type / number of model: 931L

Risk level: Serious risk

Live parts of the socket are accessible. The earth connection may not work.

The product does not comply with the requirements of the Low Voltage Directive and the relevant national standard.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Travel plug adaptor with weighing scale in blister packaging.

Batch number / Barcode: 5907595420839

Country of origin: China

Alert submitted by: Croatia

Alert number: A12/1690/16

Product: Electric iron

Name: Dry Steam Iron

Risk type: Electric shock, Fire

Category: Electrical appliances and equipment

Brand: AN NUO / Electrouiti

Type / number of model: AN-2001 / DI01

Risk level: Serious risk

The cross-sectional area of the external and internal wires is too small and the wires could overheat. The electrical insulation is inadequate.

The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60335.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: White steam iron in cardboard box.

Batch number / Barcode: 6 181003 001233

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1696/16

Product: USB charger

Name: USB Power Adapter

Risk type: Electric shock

Category: Electrical appliances and equipment

Brand: Powerful

Type / number of model: Unknown

Risk level: Serious risk

The electrical insulation is not sufficient and the clearance /creepage distances between the primary and secondary windings are not sufficient. Accessible parts could consequently become live.

The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60950.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: USB charger, sold in a transparent package.

Batch number / Barcode: 5712679589477

Country of origin: China

Alert submitted by: Finland

Alert number: A12/1700/16

Product: Travel plug adapter

Name: TRAVEL UNIVERSAL ADAPTOR / UNIVERSAL POWER PLUG ADAPTER

Risk type: Electric shock

Category: Electrical appliances and equipment

Brand: GTV

Type / number of model: 931L; AE-TA1UNI-00

Risk level: Serious risk

Single-pole or partial insertion of a plug is possible leaving the free remaining live pin, or the partially plugged-in pin of the plug, accessible. The plug pins which carry mains electrical current can become exposed during use of the product exposing the user to live parts. It is possible to insert devices which should be earthed into the socket-outlet part of the adapter but the earth circuit continuity is interrupted.

The product does not comply with the requirements of the Low Voltage Directive and the relevant international standard IEC 60884 and the relevant national standard.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Travel plug adapter for use worldwide. Packaging: blue cardboard box.

Batch number / Barcode: 5 901867 124517

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1739/16

Product: FM-transmitter

Name: CZERF

Risk type: Electric shock

Category: Electrical appliances and equipment

Brand: Unknown

Type / number of model: CZE-7C; Power supply: OEM model NR ADS 0202-U120167

Risk level: Serious risk

The pins of the plug of the power supply are not insulated. The user could touch the pins during use.

The product does not comply with the requirements of the Low Voltage Directive.

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Description: Black transmitter with power supply and audio/video cable.

Batch number / Barcode: 6959011545823

Country of origin: China

Alert submitted by: Germany

Alert number: A12/1752/16

Product: LCD alarm clock

Name: FLIP

Risk type: Environment

Category: Electrical appliances and equipment

Brand: LEXON

Type / number of model: LR130

Risk level: Serious risk

The tilt switch contains mercury (measured value: approx. 10 µL).

The product does not comply with the requirements of the Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS 2).

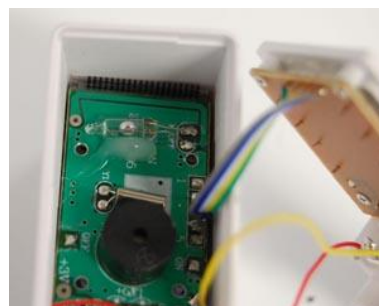

Measures taken by economic operators: Withdrawal of the product from the market (By: Retailer)

Description: Electronic alarm clock with flip function.

Batch number / Barcode: 3660491119437

Alert submitted by: Germany

Alert number: A12/1720/16

Product: Gas ring burners

Name: Standardised Paella-Cooker

Risk type: Burns

Category: Gas appliances and components

Brand: Paella World

Type / number of model: Type: BAY-O 400; Article No. 1503

Risk level: Serious risk

The appliance is not fitted with a device to prevent release of unburned gas. Cross-lighting is not assured which can lead to unburned gas being released. The gas circuit has a leak near the venturi. The unburned gas released as a result of these defects can ignite and burst into flames.

The gas cooker does not comply with the requirements of the Gas Appliances Directive and the relevant European standards EN 203-1 and EN 497.

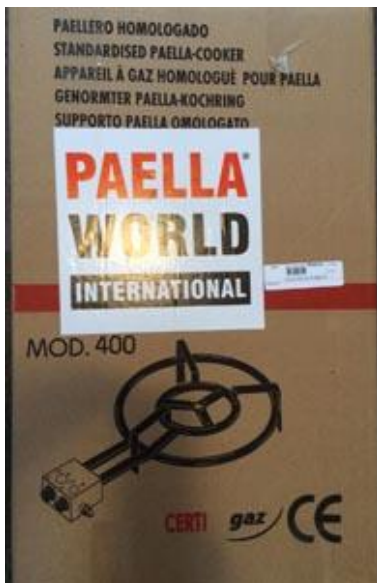

Measures ordered by public authorities: Recall of the product from end users

Description: Two gas ring burners in a brown cardboard box.

Country of origin: Unknown

Alert submitted by: Hungary

Alert number: A12/1719/16

Product: Lighting chain

Name: 1.2M X 1.6M/LED LIGHT

Risk type: Electric shock, Fire

Category: Lighting chains

Brand: Unknown

Type / number of model: 1.2MX1.6M LED

Risk level: Serious risk

The cross-sectional area of the external and internal wires is too small and the wires could overheat. The wire ends soldered to the terminals of the rectifier unit and the LEDs are not adequately protected against pulling and twisting. The accessible basic insulated wires can come into contact with sharp edges of the flashing switch and the control unit. The insulation provided by the shrink tubing for the LEDs is inadequate. The product is not protected against moisture but is recommended for outdoor use.

The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market

Description: Lighting chain with 144 non-replaceable white LED lamps. Packaging: colourful cardboard box.

Batch number / Barcode: 9 794102 576105

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1724/16

Product: Lighting chain

Name: Anemone light strand

Risk type: Environment

Category: Lighting chains

Brand: Watt & Veke

Type / number of model: 16-6022LV38, 3111910

Risk level: Serious risk

The transparent plastic in the strand contains up to 0.7% by weight short chain chlorinated paraffins (SCCPs). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment.

The product does not comply with the Regulation on persistent organic pollutants (POP Regulation).

Measures taken by economic operators: Withdrawal of the product from the market (By: Manufacturer)

Description: A lighting chain with flowers made of textile and an adapter.

Product: Sunglasses

Name: NAPSZEMÜVEG

Risk type: Damage to sight

Category: Protective equipment

Brand: OK Sunglasses

Type / number of model: A78342

Risk level: Serious risk

The transmission of UV light is too high. Consequently, the sunglasses do not protect the eyes sufficiently from the harmful effects of UV light.

The product does not comply with the requirements of the Personal Protective Equipment Directive.

Measures ordered by public authorities: Withdrawal of the product from the market

Description: Red-framed sunglasses with marking: "CAT.3 MAX UV Protection CE". The product is sold with an attached cardboard label.

Batch number / Barcode: 5 999517 231012

Country of origin: China

Alert submitted by: Hungary

Alert number: A12/1709/16

Product: Full body harness

Name: Kokovaljas

Risk type: Injuries

Category: Protective equipment

Brand: Unknown

Type / number of model: 3503

Risk level: Serious risk

Full body harness has an A-marking at both D-rings of the belt. A capital letter "A" should be at each fall arrest attachment element of the full body harness. The D-rings of the belt were not intended for arresting fall. Using these D-rings as attachment elements in a fall arrest system would cause severe or lethal injuries in the case of falling from a height.

The product does not comply with the requirements of the Personal Protective Equipment Directive.

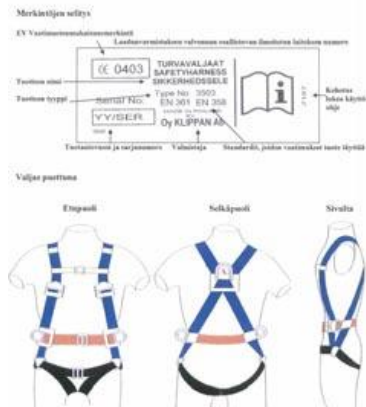

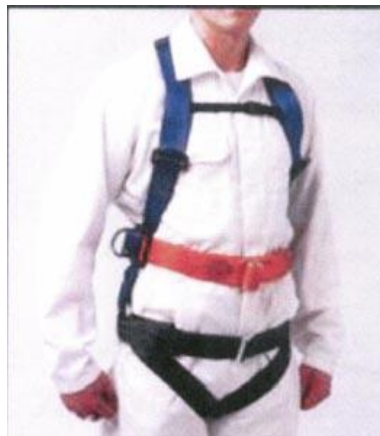

Measures ordered by public authorities: Recall of the product from end users, Warning consumers of the risks

Description: A full body harness with back attachment for fall arrest and belt for work positioning.

Batch number / Barcode: 11/214-11/334, 12/001-12/240, 13/001-13/223, 14/001-14/195, 15/001-15/030

Alert submitted by: Hungary

Alert number: A12/1703/16
Product: Pull-along toy
Name: Unknown
Risk type: Choking, Strangulation
Category: Toys
Brand: Unknown
Type / number of model: art. 5102
Risk level: Serious risk

The toy can easily break during play, generating small parts (clock's hand and one leg and a tail from the dog puzzle). Small children may take the small parts and put them in the mouth, causing them to choke. The string to pull the toy is too thin and too long; if it wraps around a child's neck, it could lead to strangulation.

The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Description: Four-wheeled plastic toy made of hard plastic parts in different colours. There is a string with which the toy can be pulled. The toy has a puzzle on its back consisting of five parts (with a dog and clock inside) and is packed in a plastic net.

Product: Plastic toy

Name: Lovely Horse

Risk type: Chemical

Category: Toys

Brand: Unknown

Type / number of model: No. SM 8823

Risk level: Serious risk

The plastic material of the horses contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 13.6% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.

According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles.

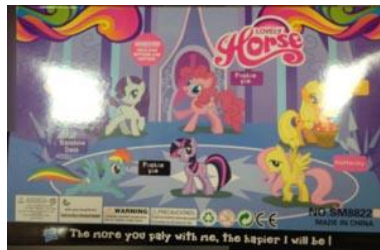

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Description: Two colourful plastic toys (horses) packed in a cardboard box with transparent plastic window.

Batch number / Barcode: Unknown

Country of origin: China

Alert submitted by: Poland

Alert number: A12/1746/16

Product: Wooden pull-along toy

Name: Tahačka želvy ('Accordion turtles')

Risk type: Choking, Strangulation

Category: Toys

Brand: HM Studio

Type / number of model: 16V59949, Batch No.: 0913VG

Risk level: Serious risk

The loops can easily be untied, releasing the red balls which are placed between the turtles. Small children could put these small parts in the mouth and choke on them.

In addition, the cord is too long, which may cause strangulation if it wraps around the child's neck.

The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Description: Wooden pull-along toy in the shape of three turtles. The product is sold in cardboard and plastic packaging.

Alert number: A12/1749/16

Product: Laughing toy

Name: Push me, I'll laugh a lot

Risk type: Chemical

Category: Toys

Brand: Unknown

Type / number of model: No. NL 050/2015 / 288 PCS/CTN

Risk level: Serious risk

The cover of the battery compartment can easily be opened without any tools and the batteries are accessible, causing damage to the child's gastrointestinal tract if put in the mouth and swallowed.

The product does not comply with the requirements of the Toy Safety Directive and the relevant European standards EN 62115.

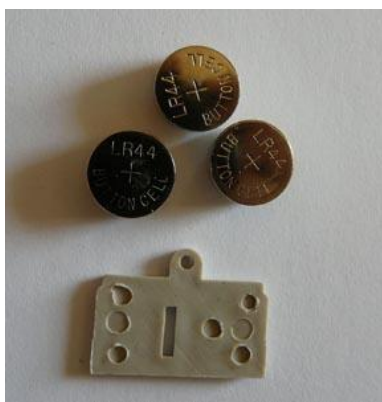

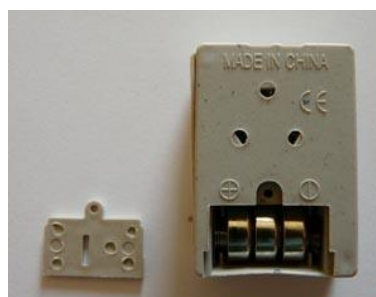

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Description: Textile bag with a laughing face; inside the bag, there is a plastic sound mechanism powered by button batteries.

Alert number: A11/0128/16
Product: Air Rifles
Name: AT44 & AT44-10 serie PCP Air Rifle
Risk type: Injuries
Category: Hobby/sports equipment
Brand: HATSAN
Type / number of model: AT44, AT44-10
Risk level: Other risk level

The air rifle has an inappropriate construction that can result in unintentional shooting without pulling the trigger if:

- the cylinder is/becomes empty and the air rifle is still loaded with pellets;
- the user releases the safety button of the air rifle;
- the user shoots the rifle when the air cylinder is empty;
- and, in this condition, if the user fills the cylinder with compressed air from a diver's bottle.

One accident reported.

Measures ordered by public authorities: Temporary ban on the supply, offer to supply and display of the product, Warning consumers of the risks

Description: AT44: A single shot, pre-charged, manual loading, pneumatic air rifle. It is available in cal.177 (4.5mm), cal.22 (5.5mm) and cal.25 (6.35mm). AT44-10: A 10-shot, pre-charged, manual loading, pneumatic air rifle. Rifles sold before 1 January 2016 are concerned by this notification unless the cylinder has been replaced.

Product: Babies' swimming neck-ring

Name: Zwemband rond de hals ('Neck swimming ring')

Risk type: Drowning

Category: Protective equipment

Brand: Baby Swimmer

Type / number of model: Unknown

Risk level: Other risk level

When the stoppers of the valves are not correctly closed, the swim ring loses too much air (up to 55%) and buoyancy is not guaranteed leading to a risk of drowning.

The product does not comply with the requirements of the Personal Protective Equipment directive and the relevant European standard EN 13138-1.

Measures taken by economic operators: Withdrawal of the product from the market (By: Importer)

Description: Inflatable neck ring to help babies float. The product is sold in a plastic bag.

Batch number / Barcode: Models affected were produced before 1 August 2017. Since then, the TÜV GS logo has been placed on the product and the packaging. The date of production has also been placed on the packaging to distinguish the compliant products from the affected models, which are the subject of this notification.
