No.	Policy area	Title	Reasons for repeal
1.	Agriculture	Council Regulation (EC) No 870/2004 of 26 April 2004 establishing a Community programme on the conservation, characterisation, collection and utilisation of genetic resources in agriculture and repealing Regulation (EC) No 1467/94	This Community programme was established for the period 2004 to 2006 to complement and promote, at Community level, the work undertaken in the Member States for the conservation, characterisation, collection and utilisation of genetic resources in agriculture. Support under this programme is no longer available, since all Common Agricultural Policy (CAP) support is currently granted under the ongoing rural development programmes (until 2025) and national CAP Strategic Plans (until 2027), following Regulation (EU) 1305/2013 and Regulation (EU) 2021/2115 respectively, making this regulation obsolete.
