Brand: Liang Yu

Type / number of model: Ref: E6340767

Risk level: Serious risk

The suction cups of the projectiles detach easily. If a child puts the projectile in the mouth, the suction cup may come loose and obstruct the airways. The small balls could also be put in the mouth and swallowed by children. As these balls expand, it could cause fatal occlusion of the respiratory track or intestinal blockage. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.
