

The Rapid Alert System for Non-Food Products (RAPEX)

RAPEX - Weekly overview report of notifications

week 7 - 2017

Alert number: A12/0171/17

Product: Safety gate for children

Name: Easy Close Plexi safety gate

Risk: Injuries

Category: Childcare articles and children's equipment

Brand: Badabulle

Type/number of model: References B025002 and B025003 - EASY CLOSE GALAXIE model.

Risk level: Serious risk

The strength of the fixing mechanism of the barrier is insufficient. Under certain conditions, the safety gate could move out of place and provide a gap for the child to pass which might lead to injuries. The product does not comply with the relevant European standard EN 1930.

Measures ordered by public authorities: Recall of the product from end users, Withdrawal of the product from the market (By: Distributor)

Description: Safety gate in metal and plexiglass, packaged in a cardboard pack.

Batch number/Barcode: Unknown

Country of origin: Unknown

Alert submitted by: France

Alert number: A12/0172/17

Product: Breastfeeding pillow

Name: Ammepute

Risk: Environment

Category: Childcare articles and children's equipment

Brand: BabyTroid

Type/number of model: Unknown

Risk level: Serious risk

The packaging contains 6% short chain chlorinated paraffins (SCCP). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. The product does not comply with the Regulation on persistent organic pollutants (POP Regulation).

Measures taken by economic operators: Withdrawal of the product from the market (By: Retailer)

Description: The breastfeeding pillow is green with white/green/pink cows. The packaging is a transparent bag.

Batch number/Barcode: 5704211007227

Country of origin: China

Alert submitted by: Norway

Alert number: A12/0175/17

Product: Babies' sleeping bag

Name: Skinnpose

Risk: Chemical

Category: Childcare articles and children's equipment

Brand: Troller

Type/number of model: Unknown

Risk level: Serious risk

The black textile (with plastic laminate on the back) and the anti-slip knobs on the back of the sleeping bag contain di-(2-ethylhexyl) phthalate (DEHP) (measured values up to 6% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system. According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles.

Measures taken by economic operators: Withdrawal of the product from the market (By: Retailer)

Description: Sleeping bag for babies with fur inside and black textile on the outside.

Batch number/Barcode: 9325021013657

Country of origin: China

Alert submitted by: Norway

Alert number: A12/0176/17

Product: Babies' sleeping bag

Name: Iglo2

Risk: Chemical, Environment

Category: Childcare articles and children's equipment

Brand: Troller

Type/number of model: Unknown

Risk level: Serious risk

The anti-slip knobs on the back of the sleeping bag and the "Troller" plastic label contain bis(2-ethylhexyl) phthalate (DEHP) (measured value: 11% and 0.5% respectively). This phthalate may harm the health of children, causing possible damage to the reproductive system. According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles. The anti-slip knobs also contain short-chain chlorinated paraffins (SCCP) (measured value: 1.8%). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. The product does not comply with the Regulation on persistent organic pollutants (POP Regulation).

Measures taken by economic operators: Withdrawal of the product from the market (By: Retailer)

Description: The sleeping bag is filled with feather and down with black textile inside and outside.

Batch number/Barcode: 6418991027588

Country of origin: China

Alert submitted by: Norway

Alert number: A12/0177/17

Product: Babies' sleeping bag/foot warmer

Name: Footwarmer arctic flexi

Risk: Chemical

Category: Childcare articles and children's equipment

Brand: SEGR

Type/number of model: Unknown

Risk level: Serious risk

The anti-slip knobs on the back of the sleeping bag contain di-(2-ethylhexyl) phthalate (DEHP) (measured value: to 5.4% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system. According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles.

Measures taken by economic operators: Withdrawal of the product from the market (By: Retailer)

Description: Sleeping bag for babies (foot warmer) has purple textile on the outer side and is black on the inside. There is one zip in the middle and two on the sides.

Batch number/Barcode: 7350013210976

Country of origin: China

Alert submitted by: Norway

Alert number: A12/0178/17

Product: Babies' sleeping bag/footmuff

Name: Åkpåse "Mini Dots"

Risk: Chemical, Environment

Category: Childcare articles and children's equipment

Brand: Vinter & Bloom

Type/number of model: 37035-1

Risk level: Serious risk

The anti-slip knobs on the back of the sleeping bag contain bis(2-ethylhexyl) phthalate (DEHP) (measured value: 9%). This phthalate may harm the health of children, causing possible damage to the reproductive system. According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles. The packaging of the product also contains short-chain chlorinated paraffins (SCCP) (measured value: 4%). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. The product does not comply with the Regulation on persistent organic pollutants (POP Regulation).

Measures taken by economic operators: Withdrawal of the product from the market (By: Retailer)

Description: Black sleeping bag with white dots. Textile on the inner and outer side with fake fur around the head.

Batch number/Barcode: 7340096720509

Country of origin: China

Alert submitted by: Norway

Alert number: A12/0185/17

Product: Children's woollen jacket

Name: Unknown

Risk: Strangulation

Category: Clothing, textiles and fashion items

Brand: Sinay

Type/number of model: KOD 2225

Risk level: Serious risk

The drawstrings in the hood can become trapped during various activities of a child, causing strangulation. The product does not comply with the relevant European standard EN 14682.

Measures taken by economic operators: Withdrawal of the product from the market (By: Importer)

Description: Blue woollen jacket with decorative cords in the neck area. Sample size: 2-3 years

Batch number/Barcode: 4 428353 468524

Country of origin: Turkey

Alert submitted by: Malta

Alert number: A12/0186/17

Product: Children's sweatshirt

Name: Unknown

Risk: Strangulation

Category: Clothing, textiles and fashion items

Brand: Marine Corps

Type/number of model: KB-1018

Risk level: Serious risk

The drawstrings in the hood can become trapped during various activities of a child, causing strangulation. The product does not comply with the relevant European standard EN 14682.

Measures taken by economic operators: Withdrawal of the product from the market (By: Importer)

Description: Blue tracksuit sweatshirt with cords in the neck area.

Batch number/Barcode: Unknown

Country of origin: France

Alert submitted by: Malta

Alert number: A12/0187/17

Product: Children's sweatshirt

Name: Unknown

Risk: Strangulation

Category: Clothing, textiles and fashion items

Brand: Marine Corps

Type/number of model: KB-974

Risk level: Serious risk

The drawstrings in the hood can become trapped during various activities of a child, causing strangulation. The product does not comply with the relevant European standard EN 14682.

Measures taken by economic operators: Withdrawal of the product from the market (By: Importer)

Description: Black sweatshirt with cords in the neck area and leather-like material on the side

Batch number/Barcode: Unknown

Country of origin: France

Alert submitted by: Malta

Alert number: A12/0174/17

Product: Blender

Name: Milxxer

Risk: Electric shock

Category: Electrical appliances and equipment

Brand: Riviera & Bar

Type/number of model: PS 450A

Risk level: Serious risk

The insulated cables in the handle of the lid are in contact with the unearthed metal part of the lid. As a result there is insufficient protection against the possibility of the metal part of the lid, which is accessible to the user, becoming live. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60335.

Measures taken by economic operators: Withdrawal of the product from the market (By: Importer)

Description: Blender for making vegetable drinks

Batch number/Barcode: Lot 1626, EAN 3576160014647

Country of origin: China

Alert submitted by: France

Alert number: A12/0181/17

Product: Electric rice cooker

Name: CUISEUR A RIZ ELECTRIQUE

Risk: Electric shock

Category: Electrical appliances and equipment

Brand: KINPOK

Type/number of model: CFXB35, 0.6, 1, 1.5, 1.8 and 2.8 litre.

Risk level: Serious risk

The cooking mode indicator is excessively fragile. If it breaks or becomes dislodged, it leaves an opening giving access to live parts. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60335.

Measures taken by economic operators: Recall of the product from end users, Withdrawal of the product from the market (By: Importer)

Description: Electric rice cooker in cardboard box.

Batch number/Barcode: 6902340957102

Country of origin: China

Alert submitted by: France

Alert number: A12/0182/17

Product: Travel plug adapter

Name: Universal Travel Adaptor

Risk: Electric shock

Category: Electrical appliances and equipment

Brand: Wisdom Line

Type/number of model: 931L

Risk level: Serious risk

Live parts of the adapter, or the live pins of a plug inserted into the adapter, are accessible under certain conditions of use. The product does not comply with the requirements of the Low Voltage Directive and the relevant national standard.

Measures taken by economic operators: Destruction of the product, Recall of the product from end users, Withdrawal of the product from the market (By: Distributor)

Description: Travel plug adaptor sold in a blister pack.

Batch number/Barcode: Unknown

Country of origin: Unknown

Alert submitted by: France

Alert number: A12/0173/17

Product: Handle (cycle parts)

Name: Handtag Gummi

Risk: Chemical, Environment

Category: Hobby/sports equipment

Brand: Unknown

Type/number of model: 11177

Risk level: Serious risk

The plastic in the handle contains lead (measured value up to 0.35% by weight), short chain chlorinated paraffins (SCCPs) (measured value up to 0.97% by weight) and polyaromatic hydrocarbons (PAHs) (measured value of PAHs 1560 mg/kg). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. The product does not comply with the Regulation on persistent organic pollutants (POP Regulation). The product does not comply with the REACH regulation.

Measures ordered by public authorities: Withdrawal of the product from the market (By: Importer)

Description: A pair of black handles made of plastic (spare parts for bikes or motorcycles).

Batch number/Barcode: Unknown

Country of origin: China

Alert submitted by: Sweden

Alert number: A12/0188/17

Product: Laser pointer

Name: Unknown

Risk: Damage to sight

Category: Laser pointers

Brand: Unknown

Type/number of model: Article No: UX5H532

Risk level: Serious risk

The laser beam is too powerful. Direct viewing of the laser beam could cause damage to sight.

Measures taken by economic operators: Withdrawal of the product from the market

Description: Laser pointer

Batch number/Barcode: Unknown

Country of origin: Czech Republic

Alert submitted by: Germany

Alert number: A12/0165/17

Product: LED floodlight

Name: Naswietlacz LED 20W

Risk: Electric shock, Fire

Category: Lighting equipment

Brand: Eko-Light

Type/number of model: Ek501

Risk level: Serious risk

The cable insulation is not suitable for outdoor use and could become damaged. There is no information for the user on safe installation. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Measures ordered by public authorities: Withdrawal of the product from the market (By: Importer)

Description: LED floodlight packed in a cardboard box.

Alert number: A12/0183/17

Product: Wall light

Name: Tamara 1

Risk: Electric shock

Category: Lighting equipment

Brand: Eglo

Type/number of model: 31265

Risk level: Serious risk

The protection against water ingress is insufficient. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Measures taken by economic operators: Recall of the product from end users, Withdrawal of the product from the market (By: Distributor)

Description: Wall-mounted bathroom spotlight, packed in a cardboard box.

Batch number/Barcode: Lots 15101 to 16085, corresponding to version 2 of the light, produced since March 2015.

Country of origin: China

Alert submitted by: France

Alert number: A12/0168/17

Product: Self-balancing scooter

Name: Smart Balance Wheel

Risk: Electric shock, Fire

Category: Machinery

Brand: Unknown

Type/number of model: Model A3, article number 75852. Battery charger: JZX-420150.

Risk level: Serious risk

The electrical insulation of the battery charger is inadequate. The battery connector inside the scooter can overheat, causing a fire. The product does not comply with the requirements of the Machinery Directive and the Low Voltage Directive and the relevant European standard EN 60335.

Measures taken by economic operators: Recall of the product from end users (By: Importer)

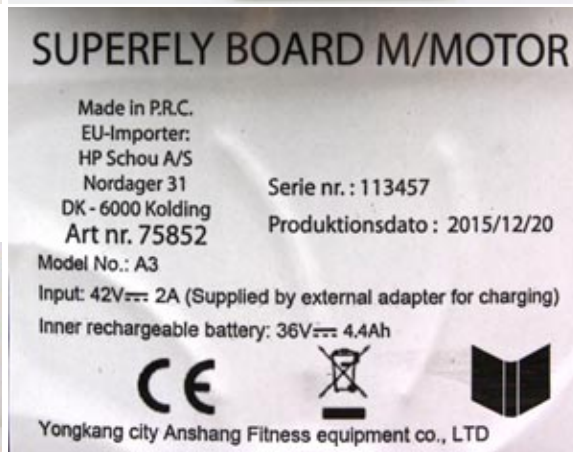

Measures ordered by public authorities: Ban on the marketing of the product and any accompanying measures

Description: Self-balancing scooter ("Hoverboard") supplied with a battery charger. Packaged in a cardboard box.

Batch number/Barcode: Serial number: 113457. Date of manufacture: 2015/12/20

Country of origin: China

Alert submitted by: Finland

Alert number: A12/0157/17

Product: Passenger car

Name: Boxster, Cayman, 911

Risk: Injuries

Category: Motor vehicles

Brand: Porsche

Type/number of model: EC type-approval: e13*2007/46*1607*00-03, e13*2007/46*1187*12-15, e13*2007/46*1188*00-06 Type: 982, 911, 911 Turbo

Risk level: Serious risk

The front side airbags may fail to trigger in the event of an accident, resulting in an increased risk of injury for the occupants.

Measures taken by economic operators: Recall of the product from end users (By: Manufacturer)

Description: Passenger car

Batch number/Barcode: The vehicles affected were produced between 28 September 2016 and 11 October 2016.

Country of origin: Germany

Alert submitted by: Germany

Alert number: A12/0158/17

Product: Van

Name: Citan

Risk: Injuries

Category: Motor vehicles

Brand: Mercedes-Benz

Type/number of model: Type-approval number: e2*2007/46*0129, e2*2007/46*0130 Type: X

Risk level: Serious risk

The brake lines on the vehicles may not be bolted to the underbody with the correct torque. This could lead to the failure of both foot-brake circuits.

Measures taken by economic operators: Recall of the product from end users (By: Manufacturer)

Description: Van

Batch number/Barcode: The vehicles affected were produced between 25 August 2016 and 13 September 2016.

Country of origin: Germany

Alert submitted by: Germany

Products were found and measures were taken also in: Poland, The Netherlands

Alert number: A12/0161/17

Product: Motorcycle alarm

Name: S4 Red Accessory Alarm System

Risk: Injuries

Category: Motor vehicles

Brand: Scorpion Automotive

Type/number of model: Unknown

Risk level: Serious risk

Corrosion of the internal circuit board of the alarm / immobiliser system may cause the immobilisation relay to malfunction. This could immobilise the motorcycle during use, causing the rider to have an accident.

Measures taken by economic operators: Recall of the product from end users (By: Distributor)

Description: Alarm / immobiliser system (Thatcham category 1 approved) supplied to Datatool Authorised Dealers and to Triumph Motorcycles Limited.

Batch number/Barcode: Systems built between 25/03/2013 and 26/02/2016. Serial number range for affected components: Datatool: 02000140 – 13130001 to 02000140-50151000 inclusive. Triumph: 02000240-13130001 to 02000240-08160001 inclusive.

Country of origin: United Kingdom

Alert submitted by: United Kingdom

Products were found and measures were taken also in: Ireland

Alert number: A12/0162/17

Product: Van / passenger car

Name: Proace, Proace Verso

Risk: Fire, Injuries

Category: Motor vehicles

Brand: Toyota

Type/number of model: EC-type approval numbers: - Proace: e2*2007/46*0538*01, e2*2007/46*0538*03; - Proace Verso: e2*2007/46*0537*01, e2*2007/46*0537*02.

Risk level: Serious risk

1. Incorrect fuel cap seal installation could lead to fuel leakage. 2. Incorrect front shock absorber to hub tightening could affect the vehicle handling. 3. The earth cable attachment point for the airbag control unit may not be properly tightened which could lead to the airbags malfunctioning. 4. The bolts holding the steering valve on the steering rack may be missing or incorrectly tightened which could affect the steering. 5. Incorrect tightening of one of the nuts fixing the brake pedal to the brake booster could lead to a sudden loss of brake assistance. 6. Water could leak into the cabin and reach the airbag module leading to unexpected airbag deployment. 7. Wheel bolt looseness could lead to the wheel detaching during driving.

Measures taken by economic operators: Recall of the product from end users (By: Importer)

Description: Van / passenger car

Batch number/Barcode: Production year: 2016

Country of origin: France

Alert submitted by: Portugal

Products were found and measures were taken also in: Poland, The Netherlands

Alert number: A12/0163/17

Product: Motorcycle

Name: WR125R, WR125X

Risk: Injuries

Category: Motor vehicles

Brand: Yamaha

Type/number of model: Type-approval number: e13*2002/24*0332; Type: DE07

Risk level: Serious risk

The brake pedal may break off owing to a defective weld seam. The driver may thus lose control of the motorcycle.

Measures taken by economic operators: Recall of the product from end users (By: Manufacturer)

Description: Motorcycle

Batch number/Barcode: The vehicles affected were produced from 2014 to 2016.

Country of origin: France

Product: Rechargeable light

Name: Rechargeable Working Lamp

Risk: Electric shock

Category: Lighting equipment

Brand: PICOYA

Type/number of model: LMP6615

Risk level: Other risk level

The electrical insulation of the charger is inadequate. In time, with intensive use, the main insulation becomes deformed in such a way that active parts become accessible, which may expose users to the risk of electric shock. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Measures ordered by public authorities: Withdrawal of the product from the market (By: Importer)

Description: Rechargeable LED work light packed in a cardboard box. Supplied with a charger.

Batch number/Barcode: 8435004902777

Country of origin: China

Alert submitted by: Spain

Alert number: A11/0021/17

Product: Soft toy

Name: Pluszak (Plush toy)

Risk: Asphyxiation, Choking

Category: Toys

Brand: Unknown

Type/number of model: Item No: SK-18415

Risk level: Other risk level

The fibrous stuffing material of the toy is easily accessible by unzipping the fastener. The stuffing material may cause choking when put in the mouth by children. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.
