

**Commission Communication in the framework of the implementation of Article 16.1(b) of Directive 2014/32/EU of the European Parliament and of the Council on measuring instruments <sup>(1)</sup>**

*(Withdrawal of the publication of the references to normative documents drawn up by OIML and the list of the parts thereof corresponding to the essential requirements)*

**(Text with EEA relevance)**

(2017/C 308/03)

The publication of the reference concerning gas meters (MI-002) in relation to OIML R137, edition 2012 <sup>(2)</sup>, is withdrawn as of 180 days after the date of this publication. EU type examination and EU design examination certificates issued on the basis of this normative document before its withdrawal remain valid until the end of their validity without any restriction on the placing on the market or the putting into use of instruments of this type.
